- Each group shall register at the control station, property office, with a department representative, or through self-registration (where provided) for each night's camping. The nightly camping fee, to be paid in advance, shall entitle the group to occupy one campsite or cabin for one overnight period for each night they have paid the fee.
- An individual may register as many campsites or cabins as desired but must be present. At registration, the names and addresses of individuals who will occupy each site also must be provided. Renting only one night will not guarantee availability beyond the first night due to other reservations being made via the Central Reservation System. Internet reservations may be made 24 hours/7 days a week. Campsites may be reserved six months in advance until the night before arrival. Cabins may be reserved one year in advance until two nights before arrival.
- Campers registering by local sales may request a specific site if that site is available.

One main camping unit per campsite with one additional tent and one dining fly are permitted per site and subject to the property manager's discretion. - Equestrian Campground only: Horses will be allowed in the equestrian campground only. Each registered camper must have at least one horse present to stay overnight at an equestrian campsite. Equestrian campers must purchase an annual or daily horse tag at the office. Persons with llama, mules, and donkeys are restricted to equestrian campgrounds.
