FUNDING FOR FISH AND WILDLIFE

The DNR Division of Fish & Wildlife sells hunting, fishing, and trapping licenses. All revenue is used for managing fish and wildlife resources in Indiana. No license money goes into the state general fund. The Division also receives money from the federal Pittman-Robertson and Sport Fish and Wildlife Restoration programs. The funds are derived from excise taxes levied on sporting arms and ammunition, bow and arrows, fishing equipment and motor boat fuel. The funds are then returned to state fish and wildlife agencies using a formula that in part is based on the number of fishing and hunting license buyers. Funds are also received from excise taxes levied on sporting arms and ammunition and the state size and bag limits apply.
