

Deer Creek Fish & Wildlife Area

Total Solar Eclipse

April 8, 2024

Thank you for considering experiencing the eclipse at Deer Creek Fish & Wildlife Area. Keep this information in mind to ensure that everyone is safe and has a great experience during this rare solar eclipse event.

- Plan to travel early and expect delays when leaving. Heavy traffic is expected after the eclipse. Bring snacks and water with you. Ensure you have enough fuel for safe travels home.
- It is important to keep roadways clear while enjoying the eclipse to ensure safe passage of emergency vehicles.
- Parking is limited to designated areas only. See the map below. Most parking spots support three to five vehicles. There are no spaces for buses or RVs. Overnight camping is prohibited. You are welcome to park in any of the designated areas and walk on trails or other areas.
- It is important to wear eclipse glasses while viewing the solar eclipse.
- Please remember to sign in at any of the self-service booths.

[Visit our website for more information on other properties in the zone of totality for the solar eclipse.](#)
