

Spring Wild Turkey Draw Muscatatuck National Wildlife Refuge

This page includes information and instructions for those interested in or selected to participate in an Indiana Wild Turkey Hunt Draw. It is important to note that areas participating in reserved hunts are managed by various agencies and may have unique restrictions that each hunter must follow. Please read each area's information packet carefully before pursuing a hunt.

Restrictions: Non-toxic shot is required at Muscatatuck NWR for all turkey hunting.

Allowed Equipment:

- A 410 caliber and 10-, 12-, 16-, 20-, or 28-gauge shotgun loaded with pellets of size No. 4, 5, 6, 7, or 7½. Shot sizes smaller than size 7½ must be made of Tungsten Super Shot or equivalent pellet density only, such as Tungsten Super Shot 9 and 10.
- A muzzleloading shotgun not smaller than 20-gauge and not larger than 10-gauge, loaded with pellets of size 4, 5, 6, 7, 7½, and Tungsten Super Shot 9 and 10. Combination loads using shot sizes other than these are illegal.
- A bow and arrow or crossbow.

Bag Limit:

- The bag limit is one bearded or male turkey for the spring season.

Hunting Hours:

- Hunters may access the Refuge 1 hour before sunrise. Hunting hours are one-half hour before sunrise until 1 p.m.

Hunt Information:

Turkey hunters may bring others with them on their hunt, but only the drawn hunter may hunt. Non-hunter partners who plan to assist in calling in turkeys must be properly licensed. No check-in is required at Muscatatuck. All hunters must obtain and carry a Muscatatuck hunting leaflet while on the refuge. The front of the leaflet must be signed indicating hunters have read and understand refuge hunting regulations. Leaflets are located at the Refuge Visitor Center or the Refuge Office. They can also be downloaded online at this address:
<https://www.fws.gov/media/muscatatuck-2025-2026-hunting-regulations>

Only non-toxic shot may be used at Muscatatuck. Turkey hunting at Muscatatuck this year is by draw **the first six days of the turkey season only**. The remainder of the spring turkey season in the refuge hunting area is open to anyone with an unfilled turkey license.

Youth Hunt:

The youth hunt is April 18-19, 2026. There is no check-in for the youth hunt. All rules above apply. If you have other questions, please call the refuge for additional information regarding your hunt.

Hunters must stop hunting by 1 p.m. and be out of the field by 2 p.m.

Area Information:

Muscatatuck National Wildlife Refuge (NWR) is located 3 miles east of Seymour, Indiana. The entrance road is located off U.S. Highway 50. The Refuge provides quality outdoor recreation opportunities for both hunters, anglers, wildlife viewers and other outdoor enthusiasts. The 7,802-acre property consists of wetland, grassland and forest habitats. Each year, hunters successfully harvest several species including deer, turkey, waterfowl, and squirrels.

The first six days of spring turkey season at Muscatatuck are by draw only. Hunts will be 2-day hunts and assigned at random.

- Wednesday-Thursday: April 22 - 23
- Friday - Saturday: April 24 - 25
- Sunday- Monday: April 26 - 27

There is no check-in for turkey hunters. Starting April 28, 2026 the Refuge will be open to all hunters for the remainder of the spring turkey season.

Contact:

If you have further questions, please contact Muscatatuck NWR at 812-522-4352 or muscatatuck@fws.gov.
