

STARVE HOLLOW STATE RECREATION AREA CLASS "A" CAMPGROUND

Starve Hollow SRA consists of 500 acres including a 145-acre lake. The campground has 180 campsites , 55 Class A sites and 125 Class B sites.

Starve Hollow’s swimming beach is open to swimmers at their own risk.

Fish species that have been stocked in the lake are: largemouth bass, bluegill, red ear, crappie, and channel catfish. All state fishing and boating rules apply to Starve Hollow. (Note: electric trolling motors only)

A naturalist service is available during the summer months. The naturalist provides programs and hikes.

For hikers, Starve Hollow offers five miles of trails including a self-guiding nature trail. Keep an eye on the bulletin boards for naturalist activities.

Boat Rental and Firewood are available through the concessionaire.
