

**Required Federal Language: FULL VERSION.**

The bid documents (and subsequently the contract documents) must include the following language verbatim:

- This project is funded in part by a grant from the U.S. Department of the Interior, National Park Service's Historic Preservation Fund Program and is being administered by the Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology. Compliance with all applicable federal, state, and local laws, rules, and regulations is required.
- Compliance with the applicable *Secretary of the Interior's Standards and Guidelines* is required.
- The Indiana Department of Natural Resources, the Indiana State Auditor, the U.S. Department of the Interior, the Comptroller General of the United States, or any of their duly authorized representatives, will have access to any books, documents, papers, and records of the contractor that are directly pertinent to that specific contract, for the purpose of making audit, examination, excerpts, and transcription. Such records must be maintained for three (3) years after closeout of the contract.
- No part of the money appropriated by any enactment of Congress will, in the absence of express authorization by Congress, be used directly or indirectly to pay for any personal service, advertisement, telegram, telephone, letter, printed or written matter, or other device, intended or designed to influence in any manner a Member of the U.S. Congress, to favor or oppose, by vote or otherwise, any legislation or appropriation by Congress, whether before or after the introduction of any bill or resolution proposing such legislation or appropriation; but this will not prevent officers or employees of the United States or its Departments or Agencies or employees of the State of Indiana from communicating to Members of Congress at the request of any Member, or to Congress through the proper official channels, requests for legislation or appropriations that they deem necessary for the efficient conduct of public business.
- The project must be carried out in compliance with the Copeland Anti-Kickback Act (18 USC 874) as supplemented in Department of Labor regulations. This act provides that each contractor will be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation of which he or she is otherwise entitled.
- The project must be carried out in compliance with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor Regulations (41 CFR 60).

**Development Projects must also include the following federal language:**

- The project must be carried out in compliance with mandatory standards and policies relating to energy efficiency that are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.
- All contractors participating in projects receiving federal assistance must take the necessary steps to insure themselves and their personnel, and to comply with the applicable local, state, or federal safety standards including those issued pursuant to the National Occupational Safety and Health Act of 1970.
- Minimum standards for facilities to be used by the disabled are to be included in the project specifications to the maximum extent possible for any historic preservation construction grant (consistent with the *Secretary of the Interior's Standards for Rehabilitation*), as required by the Architectural Barriers Act of 1968, as amended (Public Law 90-480, 42 USC 4151 et. seq.), and Section 502 of the Rehabilitation Act of 1973 (Public Law 93-112, as amended, 29 USC 792).

**Development Projects with ANY painting activities must also include the following federal language:**

- The project must be carried out in compliance with Section 401 of the Lead-Based Paint Poisoning Prevention Act (Public Law 91-695, 84 Stat. 2078, as amended by Public Law 93-151, 48 USC 4801 et. seq.), which prohibits the use of lead-based paint in residential structures constructed or rehabilitated with federal assistance.
