Salamonie Lake comprises a total of 12,554 acres, including the 2,665-acre lake. The property is operated and maintained by the Indiana Department of Natural Resources, under a lease agreement with the U.S. Army Corps of Engineers. At summer pool, the water forms a 2.665-acre lake. The property also boasts 40 ponds, marshes, and wetlands. Surrounded by the rich countryside of north-central Indiana, Salamonie Lake and the surrounding area have a lot to offer to those seeking information on Indiana’s pioneer history. Learn about towns under water, Indiana legends and more. Explore Kokosing and Hanging Rock nature preserves. Roam the Salamonie River State Forest, the largest state forest in northern Indiana.
