

Looking for something you
can complete in one weekend
or even one day?

Then *Explore* is for you!

Complete five requirements at a property. Each participant is eligible to purchase a unique pin representing that property—available only through the Explore program.

Here is what you need to do:

- **PROGRAM** - Attend one interpretive naturalist led interpretive program.

Check program schedules at calendar.dnr.IN.gov. If no programs are available during your visit, call ahead to request a self-guided activity/hike/tour option.

- **RECREATION** - Hike, bike, paddle, or wildlife watch for at least 30 minutes on park trails, roads, or navigable waters.

- **ACTIVITY** - Complete a site-specific activity assigned by the park staffer.

- **VOLUNTEER** - Complete one hour of volunteer time.

Unless otherwise instructed, pick up litter along the trail, by the pond or lake or river side, or around the playgrounds and picnic areas.

- **REPORT** - Report to the interpretive naturalist or park staffer about how your volunteer time benefited the property and yourself.

If you complete all the requirements but were unable to purchase your pin, please email HoosierQuest@dnr.IN.gov.

The Explore pin program is part of the Indiana State Park Hoosier Quest Series, which includes a Discover patch and a Challenge patch.
