The plans, specifications and application submitted for the above referenced project have been reviewed for compliance with the applicable rules of the Fire Prevention and Building Safety Commission. The project is released for construction subject to, but not necessarily limited to, the conditions listed below. THIS IS NOT A BUILDING PERMIT. All required local permits and licenses must be obtained prior to beginning construction work. All construction work must be in full compliance with all applicable State rules. Any changes in the released plans and/or specifications must be filed with and released by this Office before any work is altered. This release may be suspended or revoked if it is determined to be issued in error, in violation of any rules of the Commission or if it is based on incorrect or insufficient information. This release shall expire by limitation, and become null and void, if the work authorized is not commenced within one (1) year from the above date.

**CONDITIONS:**

Note :(A1A & A1B): In accordance with the affidavit sworn under penalties of perjury in the application for construction design release the plans and specifications filed in conjunction with this project shall comply with all of the applicable rules and laws of Fire Prevention and Building Safety Commission. Providing false information constitutes an act of perjury, which is a Class D felony punishable by a prison term and a fine up to \$10,000.

In accordance with Section 19 of the General Administrative Rules (675 IAC 12-6-19) a complete set of plans and specifications that conform exactly to the design that was released by the office of the state building commissioner shall be maintained on the construction jobsite as well as a copy of the design release.

- 14B01 The current building code for this project is the 2014 Indiana Building code (675 IAC 13-2.6).
- 4G0603AE Detailed plans and specifications of the fire suppression system shall be filed with the required application and appropriate fees in accordance with 675 IAC 12-6-3(a), 675 IAC 12-6-7(g)(17), and 675 IAC 13-1-8. (N.F.P.A. 13)
- A2 An elevator installation permit shall be obtained from the Elevator Safety Division in accordance with IESC (675 IAC 21-1-1). Please visit: <http://www.in.gov/dhs/2374.htm>
- 14B1008110 Each door in a means of egress from a Group A or E occupancy having an occupant load of 50 or more shall not be provided with a latch or lock unless it is panic hardware or fire exit hardware in accordance with Section 1008.1.10, IBC (675 IAC 13-2.6).
- 14B050833 No separation is required between nonseparated occupancies in accordance with Section 508.3.3, IBC (675 IAC 13-2.6).
- 4G0615A This is a partially submitted and released project. Subsequent submittals shall be accompanied by a completed standard / partial form (ACDR) and proper fees in accordance with 675 IAC 12-6-15(c).  
 Systems remaining - electrical, mechanical and plumbing.

Please be advised that if an administrative review of this action is desired, a written petition for review must be filed at the above address with the Fire Prevention and Building Safety Commission identifying the matter for which a review is sought no later than eighteen (18) days from the above - stated date, unless the eighteenth day falls on a Saturday, a Sunday, a legal holiday under State statute, or a day in which the Department of Fire and Building Services is closed during normal business hours. In the latter case, the filing deadline will be the first working day thereafter. If you choose to petition, and the before-mentioned procedures are followed, your petition for review will be granted, and an administrative proceeding will be conducted by an administrative law judge of the Fire Prevention and Building Safety Commission. If a petition for review is not filed, this Order will be final, and you must comply with its requirements.

ELECTRONICALLY FILE YOUR PROJECT WITH STATE OF INDIANA at <http://www.in.gov/dhs/2650.htm>.  
This on-line filing is through a secure site, you can use it to submit your project information, pay the fees and upload your project plans.
