

Indiana Department of Education

Dr. Katie Jenner, Secretary of Education

The Lake County School Safety Commission and the Indiana School Safety Specialist Academy Present:

"The Standard Reunification Method, REx"

Presented by:

John-Michael Keyes, The I Love U Guys Foundation

John-Michael Keyes represents the "I Love U Guys Foundation" to districts, departments, agencies and organizations regarding school safety. The death of his daughter, Emily, at the hands of a gunman at Platte Canyon High School compelled Mr. Keyes to bring his professional expertise to the arena of school safety. The Keyes family's response to the events at Platte Canyon High School was immediate support for first responders and compassionate outreach to law enforcement. The Keyes' hope these direct and positive actions can act as a guidepost for families impacted by violence.

Topics to Be Covered Include:

Reunification Protocols-Proven methods for planning, practicing and achieving a successful reunification after an unforeseen emergency at school. This program provides insight to educators and law enforcement to maintain the custody of every student until they are reunited with their custodial parent.

SRM-Rex brings our team to your community to work with all of the stakeholders in a focused classroom training, tabletop exercise, and functional demonstrations and exercises to prepare organizations to conduct an actual reunification of students with their respective parents or guardians.

This training is intended to show emergency response personnel what capabilities there are for handling, organizing, and re-unifying the staff and students that have experienced an emergent event that was manmade, technological, or natural. Some of the exercise material is intended for exclusive use for certain emergency response disciplines, district staff, or specific exercise players.

Cost: There is no cost for this training. Professional Growth Points, CEU's and Law Enforcement hours will be available.

When: Tuesday, March 1, 2022
