Preservice Class registration will be done on-line by the employer.

The website link is as follows:

<https://www.in.gov/doe/school-operations/transportation/school-bus-driver-training/>

As many classes fill early, it is important to cancel a driver if they are not going to attend so another driver may take their place. If you need to cancel one or more drivers for a class, please contact the Office of School Transportation at (317) 232-0890 or via email at mlarocco@doe.in.gov, rwhite@doe.in.gov, rdawson@doe.in.gov as soon as possible. If there are changes to the class, we will contact the employer to communicate the changes. Classes will be closed once the class has filled to capacity or three business days prior to the first day of class.

A confirmation letter will be emailed for each driver registered in the class. The letter will have important information and links to class materials that should be printed out and brought to the class. Please forward the letter and class materials to each attending driver.

If you wish to begin training prior to the selected class, you can request a Certificate of Enrollment (blue card) at any time. Otherwise, the card will be issued at the class. The request must be made by email and include the trainee's name as it is to appear on the certificate and the last four (4) digits of their social security number. Please email your request to anyone in the Office of School Transportation (see below).

If you have any questions concerning the Preservice Classes or registration, please contact the Office of School Transportation at (317) 232-0890 or via email at mlarocco@doe.in.gov, rwhite@doe.in.gov, rdawson@doe.in.gov.
