Summary

The following pages include data and graphics summarizing the key licensing activity from the Office of Educator Licensing covering the 2019-2020 school year (July 1, 2019-June 30, 2020). Beginning in approximately March 2020, educator licensing policies and processes were impacted by COVID-19 related policy decisions, Executive Orders from Governor Holcomb, extensions, waivers, test center and CPR training closures, process adjustments, and educator application timing shifts. Consequently, data in this report may be atypical.
