

Medicaid Reimbursements for IEP Services

First ten pages

Participating LEAs (Indiana public school corporations, charter and state schools) receive and retain 100% of joint-funded (state/federal) Medicaid reimbursements for covered medical services, and restore the state-funded portion to state tuition support. IDOE performs the Medicaid Adjustment to account for state education funds included in these joint-funded payments; and LEAs may use their unrestricted federal Medicaid funds (typically about 66% of total Medicaid payments) as they choose, for example, to cover costs of specialized equipment, training, supplies, and professional development.

Medicaid Administrative Claiming (MAC) Reimbursements

Last 5 Pages

IndianaMAC (Medicaid Administrative Claiming) reimbursements are paid on a quarterly basis to each participating school corporation (including charter and state schools). Reported MAC reimbursement amounts are net of any applicable prior quarter adjustments. These new, unrestricted federal funds enhance Local Education Agencies' budgeting flexibility, increasing schools' options for financing mandated and optional services, materials and equipment. Statewide IndianaMAC time studies show that staff at Indiana schools typically spend about 8-10% of the work day on MAC activities.
