OVERVIEW

Summer school is a state-reimbursable program which allows Indiana school corporations and charter schools to provide summer academic courses for students in elementary, middle, and high school.

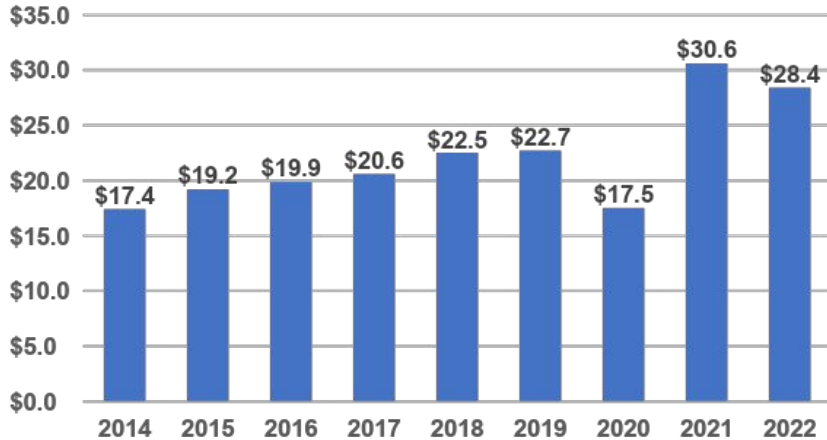

- The program description for summer school is in IC 20-30-7 and 511 IAC Article 12.
- The appropriation for summer school is established by the Indiana General Assembly.
- The appropriation is currently \$18,360,000.

OVERVIEW

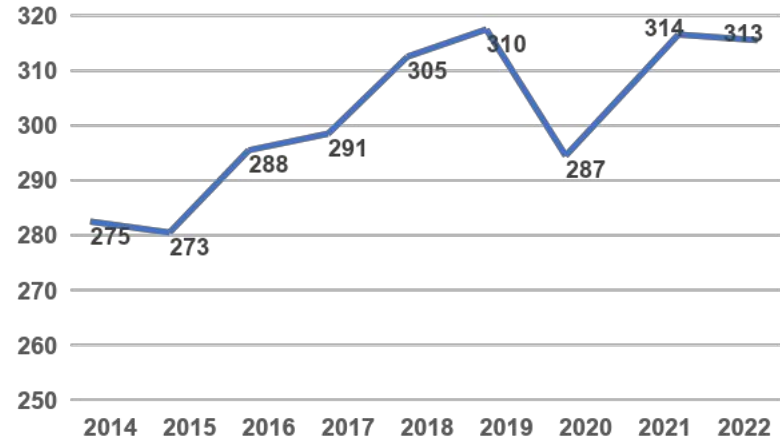

School corporations and charter schools are reimbursed for approved summer school courses based on the actual instructional costs and tuition paid to online service providers multiplied by 1.05 and reduced proportionately if the appropriation is insufficient to fund all programs at 100%.

OVERVIEW

The Office of School Finance began administering the summer school program in 2014.

Number of Participating Schools

The final costs submitted and the number of schools participating in the summer school program increased each year from 2015 through 2019. The decrease in the costs reported and the decreased participation in 2020 is most likely due to the COVID-19 pandemic.

OVERVIEW

Each year, a memorandum with summer school information is posted on the website at <https://www.in.gov/doe/school-operations/finance/summer-school/>. The information is also posted in the Public School Finance Community on Moodle, in the folder for summer school.

The memo includes important dates, the courses that have been approved by the State Board of Education to be included in the summer school program, and financial provisions.

OVERVIEW

Steps to reimbursement:

In accordance with 511 IAC, Article 12, schools must complete these steps in order to be eligible to receive a payment for summer school costs:

1. Submit the Estimated Costs Report and List of Courses to be included in your summer school program on or before the posted deadline in the spring.
2. Conduct summer school.
3. Submit the Final Costs Report on or before the posted deadline in the fall.

Estimated Costs

Verify that the contact information is complete and accurate. This is the information that will be used to contact your school corporation if there are any questions.

Enter the total amount of estimated instructional costs and online service provider tuition expected.

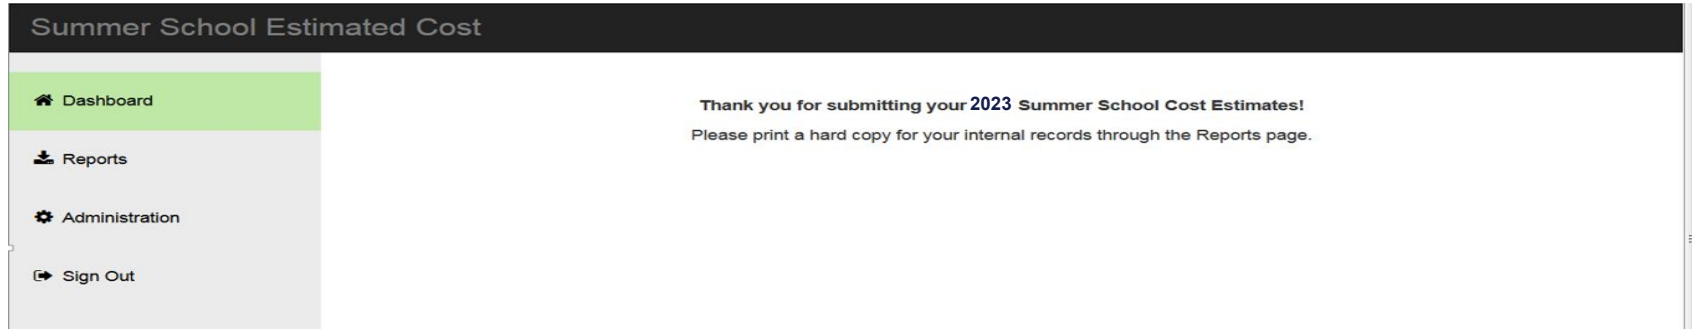

Please be as accurate as possible in the amount that is submitted for your estimated summer school costs. Accurate information is helpful for all participating schools for planning purposes.

In order to be eligible for reimbursement of summer school costs, the estimated costs report and list of courses must be submitted on or before Friday, April 1.

SUBMITTING THE ESTIMATED COSTS REPORT AND LIST OF COURSES

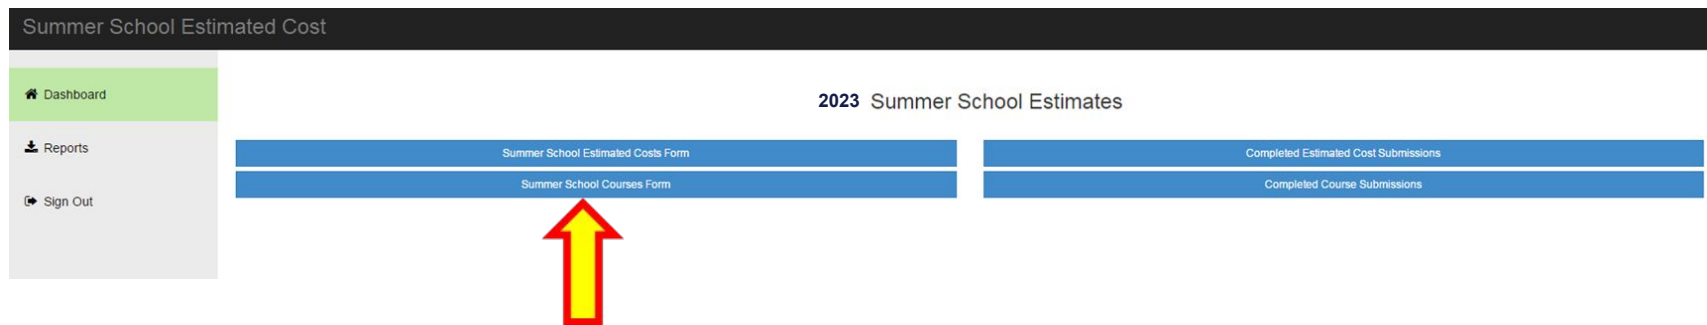

Make sure to print a copy of the report. If there are any questions regarding the submission, IDOE will ask to see a copy.

In order to be eligible for reimbursement of summer school costs, the estimated costs report and list of courses must be submitted before the deadline Saturday, April 1, 2023.

SUBMITTING THE ESTIMATED COSTS REPORT AND LIST OF COURSES

Entering the List of Courses:

Click on 'Summer School Courses Form' to select the courses you would like to include in your summer school program.

In order to be eligible for reimbursement of summer school costs, the estimated costs report and list of courses must be submitted before the deadline Saturday, April 1, 2023.

SUBMITTING THE ESTIMATED COSTS REPORT AND LIST OF COURSES

Entering the List of Courses:

The screenshot shows a web form titled '2023 Summer School Report Courses'. It includes fields for 'Corporation ID' and 'Corporation Name'. Below these fields, a note states: 'Use the checkboxes to select your courses. After selecting courses, click the Submit button at the bottom of the page.' A list of subject areas is provided with checkboxes: English/Language Arts, Social Studies, Foreign Language, Mathematics, Science, and Health, Music Ed And Safety.

In order to be eligible for reimbursement of summer school costs, the estimated costs report and list of courses must be submitted before the deadline Saturday, April 1, 2023.

Elementary/Middle School Courses:

- Choose 'General Elementary/Middle School'.
- Select the courses you intend to include in your summer school program.

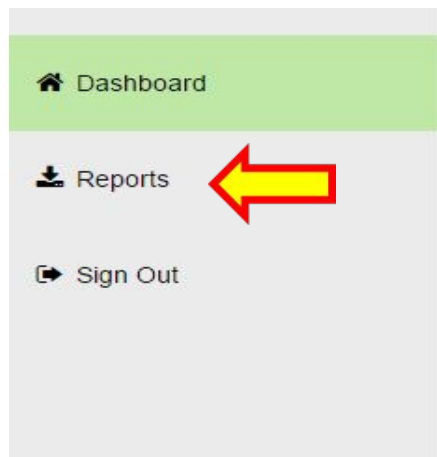

High School Courses:

- Choose the subject area for the high school course.
- Select the courses you intend to include in your summer school program.

After you have made your course selections, click on the 'submit' button at the bottom of the page.

SUBMITTING THE ESTIMATED COSTS REPORT AND LIST OF COURSES

Keep a copy for your records.

Estimated Instructional Costs

SUBMITTING THE ESTIMATED COSTS REPORT AND LIST OF COURSES

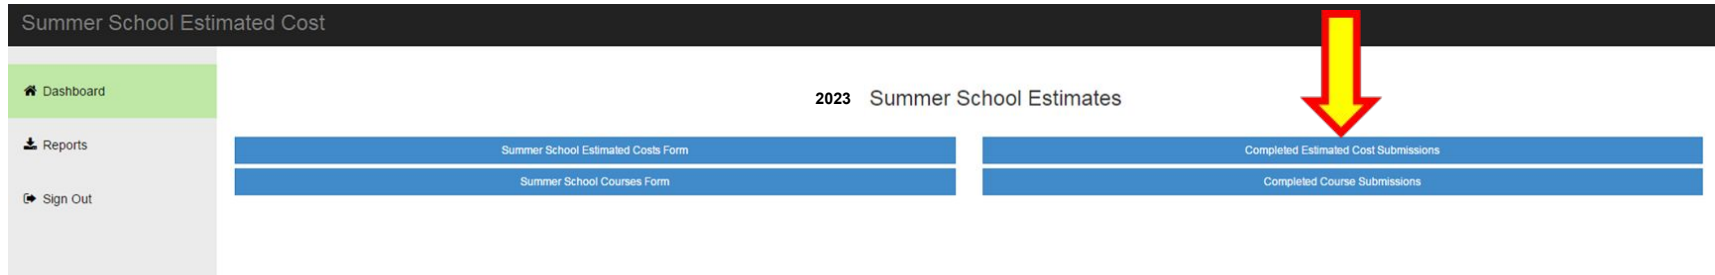

If your downloaded report correctly reflects your estimated summer school costs and list of courses, then you have completed this part of the requirement in order to be eligible for summer school reimbursement.

At the end of your summer school program, the Final Instructional Costs Report is required to be submitted in order to receive a payment. The Final Instructional Cost Report will be available from Monday, July 24, through Friday, September 15.

If you would like to make changes to your Estimated Instructional Costs Report and/or your List of Courses, the next four slides explain how to make these changes.

SUBMITTING THE ESTIMATED COSTS REPORT AND LIST OF COURSES

- To review and/or edit the estimated costs that have been submitted, first go to your dashboard, then click on 'Completed Estimated Cost Submissions':

SUBMITTING THE ESTIMATED COSTS REPORT AND LIST OF COURSES

If you would like to edit, see details, or delete the submitted costs, click on the appropriate link.

ESTIMATED DISTRIBUTION

Estimated distributions are calculated using the expenditure estimates submitted by school corporations and charter schools.

Final costs may be greater than, less than, or equal to the amount of the estimated distribution.

The actual percentage of reimbursement will be determined when actual expenditure data is received on the final reports.

Actual expenditure data should be reported on the final instructional costs report, schools are not limited to the amounts posted on the estimated distributions list.

ESTIMATED DISTRIBUTION

The estimated distribution memo and list of estimated distribution amounts will be posted in the summer school folder in the Public School Finance Community in Moodle and announced in Dr. Jenner's Weekly Update in May.

Only schools listed on the estimated distribution list are eligible to submit a final costs report for reimbursement in the fall.

FINAL COSTS REPORT

In order to be eligible for summer school reimbursement, the Estimated Instructional Costs Report and List of Courses and the Final Instructional Costs Report must be submitted by the posted deadlines.

The window to submit the Final Instructional Costs Report for 2023 summer school opens Monday, July 24, and closes Friday, September 15.

The actual percentage of reimbursement will be determined when actual expenditure data is received.

The reports must be submitted on or before the deadlines, late submissions will not be accepted.

FINAL COSTS REPORT

Required information for the Final Costs Report:

Number of students
enrolled in online
courses (3rd party
provider)

Online tuition costs

Number of students for
ELA, Math, and Other
for grades K-8 and
9-12

Teacher costs

Assistant costs

Unduplicated student
count

Unduplicated teacher
count

Unduplicated assistant
count

Number of classes

Aggregate days of
attendance

FINAL COSTS REPORT

Tips for a
successful
Final Costs
Report
submission

The report will not accept dollar signs or commas.

The report will not allow a field to be left blank – a zero must be entered.

In the fields for student data – enter the number of students.

In the fields for teacher costs, assistant costs, and online tuition – enter the costs, rounded to the nearest dollar, without dollar signs or commas.

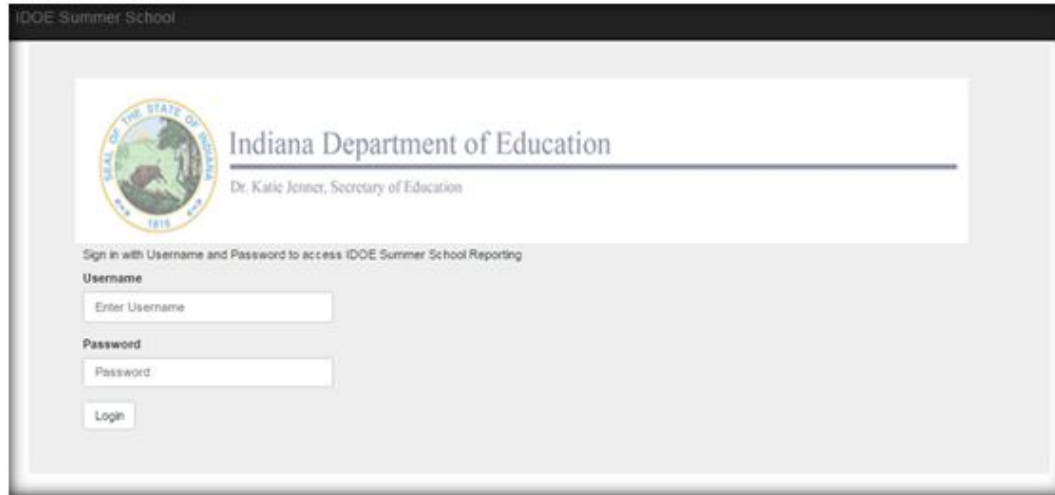

Amounts and totals must be added correctly. The report does not do the math for you, but will not accept if there are errors in the calculation.

**The deadline
to submit is
Friday,
September
15.**

FINAL COSTS REPORT

Access the link to the Final Costs Report at <https://summerschool.doe.in.gov>. Log in using your DOE Online credentials, you must be assigned to the corporation administrator or school administrator role for access.

The screenshot shows the login interface for the IDOE Summer School Reporting system. At the top, the text "IDOE Summer School" is visible. Below this, the Indiana Department of Education logo is displayed on the left, and the text "Indiana Department of Education" and "Dr. Katie Jenner, Secretary of Education" is on the right. A horizontal line separates the header from the login section. The login section contains the text "Sign in with Username and Password to access IDOE Summer School Reporting". Below this, there are two input fields: "Username" with a placeholder "Enter Username" and "Password" with a placeholder "Password:". A "Login" button is located at the bottom of the login section.

FINAL COSTS REPORT

511 IAC 12-2-7

Minimum Enrollment for Reimbursement

Classes must have an average enrollment of at least 15 students or more in all classes.

- For example, if Language Arts has an enrollment of 10 and Math has an enrollment of 20, both classes are eligible because the average enrollment is 15.

Two or more groups of students may be combined into a single class under a teacher of record in order to meet this requirement, but only the salary of the teacher of record, and not the salary of any other teachers, may be included in computing eligible costs.

This requirement cannot be waived.

FINAL COSTS REPORT

2023 Summer School Final Costs

Test (8800)

2023

FINAL COSTS REPORT

The window to submit the Final Costs Report for 2023 summer school opens Monday, July 24, and closes Friday, September 15.

The report must be submitted on or before the deadline, late submissions will not be accepted.

FINAL DISTRIBUTION MEMO & LIST

Final distribution amounts will be calculated using data submitted by school on the Final Instructional Costs Reports.

Final costs submitted may be greater than, less than, or equal to the amounts submitted on the estimated costs reports in the spring.

If supported by the appropriation, final costs will be reimbursed at 105%.

If final costs submitted exceed the appropriation, then all submissions will be reduced proportionately.

In November, the distribution memo and list of reimbursement amounts by school corporation will be posted at www.in.gov/doe/school-operations/finance/summer-school. It will also be posted in the summer school folder in the Public School Finance Community in Moodle.

The summer school reimbursement payment will be made after the memo is posted in November.

QUESTIONS?

Information about the summer school program is posted at
www.in.gov/doe/school-operations/finance/summer-school/.
