March 18, 2022

Dear Superintendents and Principals:

Each year, the Indiana Department of Education (IDOE) conducts the Indiana Teacher of the Year program to recognize outstanding classroom teachers from across the state. From this talented group, one person is selected to represent Indiana teachers at the national level, in accordance with National Teacher of the Year guidelines.

A candidate for Indiana Teacher of the Year (INTOY) is a teacher in a state-approved or accredited school (*including private, charter, and virtual*), pre-kindergarten through grade 12, who is planning to continue in an active teaching status. The INTOY candidate has the respect and admiration of their colleagues and:

1. Is an expert in their field who advances growth for students of all backgrounds and abilities;
2. Builds collaborative relationships with colleagues, students, and families to create a school culture of equity and success;
3. Deliberately connects the classroom to community to impact student growth and learning;
4. As a lifelong learner and teacher leader, they utilize innovation to create learning experiences within and beyond the classroom;
5. Expresses themselves in an engaging and clear way, conveying the lived classroom experience to a variety of audiences.

The Council of Chief State School Officers (CCSSO) sponsors the National Teacher of the Year (NTOY) program and hosts national events that will begin in spring 2023. These events include a week-long induction for all state Teachers of the Year; a week-long trip to Washington, D.C. for recognition by the President; Educator Space Camp in Huntsville, Alabama; and other workshops with policymakers. **Based on feedback from school superintendents in previous years, IDOE remains committed to working with the recipient and their district to support a year of service that allows the teacher to remain in the classroom while supporting release time to participate in valuable opportunities as a voice for Indiana educators.**

As we work to attract and retain the best and brightest teachers in Indiana, this is one way we can elevate the profession and celebrate those who dedicate their lives to helping Hoosier youth achieve their greatest potential. I hope you will join me in helping to ensure these incredible educators receive the recognition they deserve.

Sincerely,

Dr. Katie Jenner
Indiana Secretary of Education
