### Prioritized Expert Partners for the Next Generation School Improvement Grant

Since the 2023-2024 academic year, the IDOE has identified prioritized expert partners that demonstrate a strong commitment to a transformative vision for the schools in the Next Generation School Improvement Grant (Next Gen SIG) program. These partners also have a theory of change that prioritized rigorous analysis, partnership, and commitment to systemic reform over one-size-fits-all or pre-planned interventions and/or solutions.

After the most recent round of Expert Partner reviews, the IDOE has identified the following organizations as prioritized expert partners for the Next Gen SIG program.

Company Name	Address	Contact Information
<a href="#">Empower Schools</a>	9 Menlo Street, Boston MA 02135	Sarah Robb, <a href="mailto:srobb@empowerschools.org">srobb@empowerschools.org</a>

### Next Gen SIG Prioritized Expert Partners

The current list of prioritized expert partners selected by IDOE is not an exclusive list. Other organizations are still eligible to serve as an expert partner with a Next Gen SIG recipient; however, Next Gen SIG applications listing an expert partner outside of the prioritized list will be required to provide a strong justification for the selected expert partner.

IDOE intends to facilitate an RFI for expert partners every two years to consider updating the list of prioritized expert partners.
