Preservice Class registration will be done on-line by the employer.

To register your driver(s), click the registration link to the far right of the class information on our website and you will be routed to the class enrollment form. **Please complete a form for each driver that will be attending the class.**

The website link is as follows:

As many classes fill early, it is important to cancel a driver if they are not going to attend so another driver may take their place. If you need to cancel one or more drivers for a class, please contact Lisa Callihan at (317) 232-1377 or by email at lcallihan1@doe.in.gov (link sends e-mail) as soon as possible. If you are exchanging one driver attendee for another, please let Lisa know, as the class sign in sheets will be pre-populated with the registered driver's name and information. If there are changes to the class, we will contact the employer to communicate the changes. Classes will be closed once the class has filled to capacity or three business days prior to the first day of class.

A confirmation letter will be emailed for each driver registered in the class. The letter will have important information and links to class materials that should be printed out and brought to the class. Please forward the letter and class materials to each attending driver.

If you wish to begin training prior to the selected class, you can request a Certificate of Enrollment (blue card) at any time. Otherwise, the card will be issued at the class. The request must be made by email and include the trainee's name as it is to appear on the certificate and the last four (4) digits of their social security number. Please email your request to Lisa Callihan at lcallihan1@doe.in.gov (link sends e-mail).

If you have any questions concerning the Preservice Classes or registration, please contact Lisa Callihan at (317) 232-1377 or via email at lcallihan1@doe.in.gov (link sends e-mail).
