

AP MILESTONES 2026-2027 | FALL 2026

Task/Event	Date(s)
Access AP Classroom AP Classroom opens for the 2026-2027 school year. AP coordinators and teachers can sign up for an account or sign in to access course resources. AP coordinators, teachers, and administrators can access the College Board AP Classroom help guide to learn more about AP Classroom and associated resources and to check for any new platform updates.	July 1
AP Registration and Ordering Access Code Becomes Available AP coordinators and principals receive an email with their school's AP Registration and Ordering access code for the 2026-2027 school year. Test Coordinators can begin completing the <i>School Information</i> and <i>Exam Administration</i> setup sections in the AP Registration and Ordering portal. All required fields in these sections must be completed before you can take other actions in the AP Registration and Ordering portal.	August 1
Complete Setup in AP Registration and Ordering AP coordinators should sign in to AP Registration and Ordering , complete the setup, and submit the AP Participation Form to register their school to offer AP Exams by the end of the first week of the school year .	August - September
Create Class Sections and Share Join Codes with Students AP coordinators or teachers should create class sections to generate join codes, which students will need to join their class sections in My AP .	First Week of School
PREFERRED DEADLINE: Submit AP Exam Orders This is the recommended deadline for AP coordinators to submit AP Exam orders. It is also recommended that student enrollments are completed by this date. For help with AP Registration and Ordering, visit the associated College Board How To help guide.	Friday, October 2
DEADLINE: Renew Previously Authorized Courses in AP Course Audit This is the recommended date by which AP administrators should renew courses that have been previously authorized in AP Course Audit for the 2026-2027 school year.	Friday, October 16
DEADLINE: Final Deadline to Submit AP Exam Orders The final deadline for AP coordinators to submit AP Exam orders for full-year and fall semester AP courses and exam only sections is November 14th by 11:59 p.m. Exam orders submitted after this date will incur an additional \$40 per exam late order fee, with some exceptions.	November 13 by 11:59 p.m. ET

**Some dates are approximate and are subject to minor changes.*

AP MILESTONES 2026-2027 | SPRING 2027

Task/Event	Date(s)
Create Spring-Semester Class Sections and Enroll Students AP coordinators should create a spring-semester section for any course that begins after the November 13 final ordering deadline.	January
DEADLINE: Submit Accommodations Requests to Services for Students with Disabilities SSD coordinators should submit accommodations requests and supporting documentation (if needed) through SSD Online by this date.	Friday, January 15
