Password Reset Instructions – Moodle

Go to this web address: <https://moodle.doe.in.gov/>

This user will start with the screen below by clicking the “Lost password” button (red arrow).

The screenshot shows the Moodle login page for the Indiana Department of Education. The page includes a 'Site news' section with a post titled 'Not Receiving Emails from Moodle?' by Don Gilroy. Below the post is a search bar for courses. On the right side, there is a 'Login' section with fields for 'Username' and 'Password', a 'Remember username' checkbox, and a 'Log in' button. Below the login section are links for 'Create new account', 'Lost password?', and 'Log in using your account on: DOE Identity'. A red arrow points to the 'Lost password?' link.

You will then get the screen shown below. The first thing you will do is initiate a search of Moodle for either your username or email address, this means you will need **a valid email address for the password reset.**
