Online Reporting System (ORS) Webinar Module

Online Reporting System (ORS)

Training Module
2020 –2021

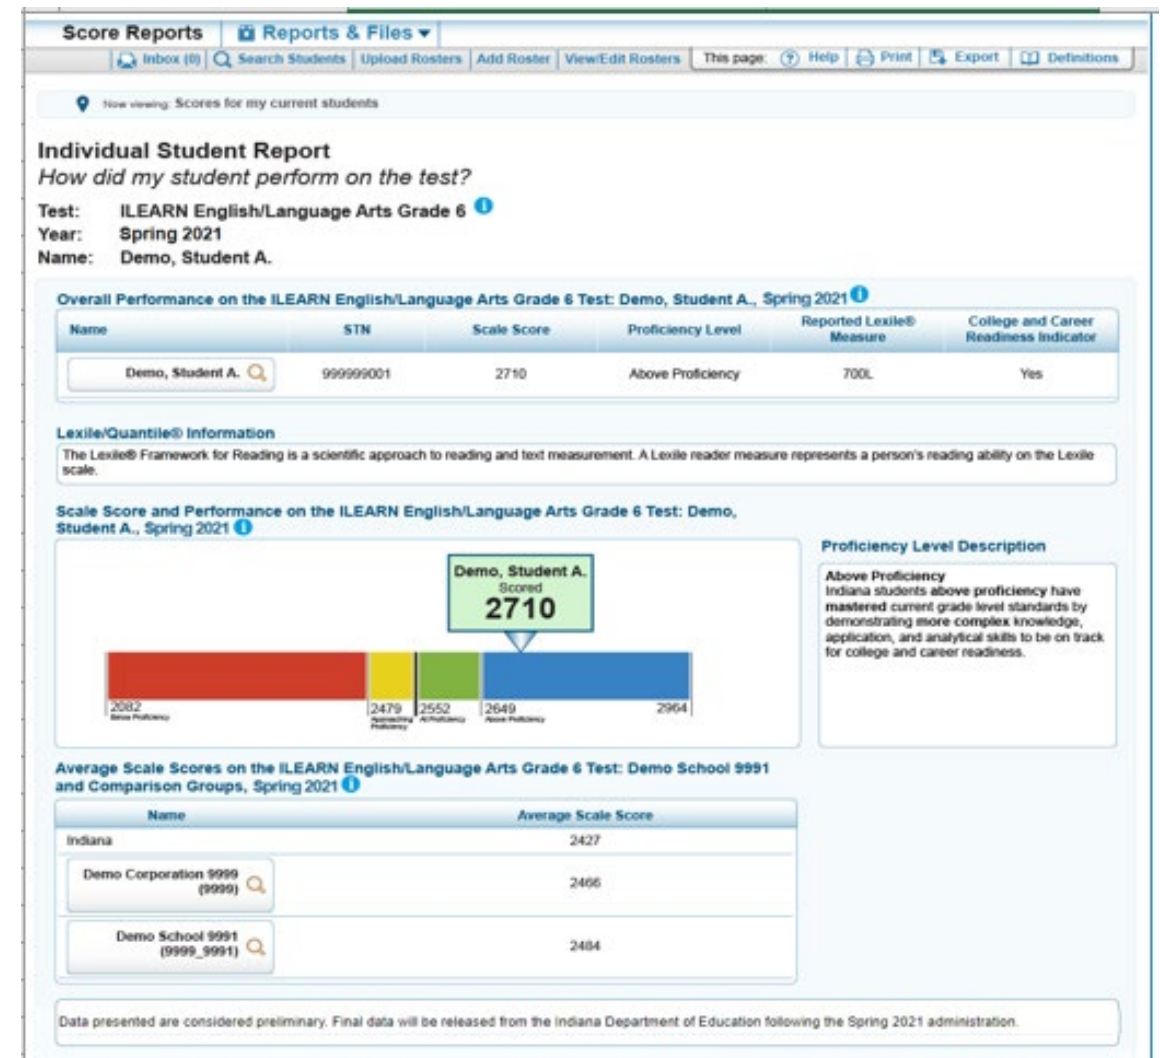

Objectives

After viewing this presentation, participants should understand how to:

- Navigate ORS
- View score reports
- Generate and export summary statistics and student results
- Search for specific students
- Create, view, and edit student rosters
- Navigate common ORS scenarios and questions

Purpose of the Online Reporting System

- Provides access to assessment data
- Provides timely, relevant reports to educators to make valid, actionable interpretations of the data

Logging In

How to Log into ORS

- An authentication process is in place to ensure security of the data in the system.
- If the Enter Code page appears, an authentication code is automatically emailed.
- The emailed code must be entered in the Enter Emailed Code field and submitted by clicking Submit within 15 minutes of receiving the email.

The screenshot shows a web interface titled "Enter Code". At the top, a green notification bar with a checkmark icon states: "A code has been sent to your email address. The code will expire after 15 minutes." Below this is a text input field with a person icon on the left and the placeholder text "Enter Emailed Code". Underneath the input field are two dark blue buttons: "Submit" and "Resend Code". At the bottom of the form, the word "Cancel" is written in red, underlined text.
