2022-2023 INDIANA GUIDE TO THE SAT SUITE OF ASSESSMENTS

The Indiana Department of Education (IDOE) will provide the PSAT 8/9 as part of the Formative (Interim) Assessment Grant for the 2022-2023 school year. The PSAT/NMSQT for grade 10 and 11 students and the spring SAT School Day for federal high school accountability are also included in Indiana's College Board SAT Suite of Assessments. Policies and procedures differ between these assessments, and schools should utilize this guide to determine distinctions between these assessments.

Test Materials and Eligibility

Category	PSAT 8/9	PSAT/NMSQT	SAT School Day
Testing Modes	Paper-and-pencil or digital testing is available.	Paper-and-pencil testing is available only.	Digital testing is required unless specified by an accommodation.
Identifying Testing Staff and School Addresses	School Test Coordinators (STCs) and school addresses are identified through the College Board Test Ordering System (TOS).	STCs and school addresses are identified through the College Board TOS.	IDOE provides school addresses, and College Board collects STC information via survey in September.
Obtaining Materials for the Primary Testing Window	Schools order standard and accommodated materials in TOS by the identified ordering deadline.	Schools order standard and accommodated materials in TOS by the identified ordering deadline.	Schools do not use TOS. Materials to support digital testing are sent based on the number of students registered by IDOE in January 2023 using school data.
Obtaining Makeup Materials	Not applicable to PSAT 8/9.	Schools must test on the primary or alternate testing date. No weekend testing is supported by IDOE.	Schools must set aside materials (e.g., manuals and irregularity forms) from initial material shipments. **No additional materials will be shipped.**
Tracking Materials	Tracking numbers for shipments are only available in TOS.	Tracking numbers for shipments are only available in TOS.	Tracking numbers for shipments are emailed to STCs.
School Eligibility	All schools are eligible.	All schools are eligible.	Public school corporations, accredited non-public, and Choice schools are required to participate for federal accountability.

Test Materials and Eligibility			
Category	**PSAT 8/9**	**PSAT/NMSQT**	**SAT School Day**
Attending Institution (AI) Codes	Schools must have a Level 2 AI code to order assessments in TOS.	Schools must have a Level 2 AI code to order assessments in TOS.	Generated automatically if schools do not have one. Schools may use a Level 1 AI code for this SAT administration.
Registration in the Test Information Distribution Engine (TIDE)	Registration is required only if schools are participating in the digital PSAT 8/9.	Not applicable to the PSAT/NMSQT.	IDOE will register all cohort 2024 students within TIDE in January 2023.
Pre-ID Labels/Bulk Registration	Only required for schools testing via paper-and-pencil. Schools can order pre-ID labels via TOS.	Bulk registration can only be completed at the corporation level. Corporation Test Coordinators (CTCs) receive an email from College Board with bulk registration codes in August. Schools should not select "bulk registration" when ordering exams.	Schools will not receive pre-ID labels for digital testing.
Accommodations and English Learner (EL) Supports			
Approval for Accommodations	Accommodations are locally requested, and approval in Services for Students with Disabilities (SSD) Online is not required. Accommodations may be administered, as needed, without College Board approval.	Students must have accommodations submitted in SSD Online prior to the deadline. Accommodated materials must be ordered in TOS.	Students must have accommodations submitted in SSD Online prior to the deadline. Accommodation settings must be configured in TIDE prior to testing.
EL Supports	EL supports are locally determined. Requests in SSD Online are not required. Accommodations can be administered, as needed, with no approval from College Board.	EL supports are not available.	EL supports are available. Extended time must be entered into SSD Online annually.
Nonstandard Administration Report (NAR)	The NAR will not be available in SSD Online for PSAT 8/9.	The NAR will be available in SSD Online approximately four weeks prior to test day.	The NAR will be available in SSD Online approximately four weeks prior to test day.

Administering Accommodations	Accommodations are locally determined and can be administered anytime during the testing window.	There is no accommodated testing window, and students must complete testing on the primary or alternate test day. Students with certain accommodations may be permitted to test over two days and will be identified on the NAR.	The accommodated testing window provides flexibility to students designated on the NAR, and these students with appropriate accommodations may be able to test over two days.
Test Administration			
Training	STC training is available, but it is not required.	STC training is available, but it is not required.	STC and proctor training is required annually, and will be shared with schools in late January 2023.
Testing Support	Contact College Board at 888-477-7728 for assistance.	Contact College Board at 888-477-7728 for assistance.	Contact College Board at 855-373-6387 for assistance.
Primary Test Date(s)	Any available testing windows	Wednesday, October 12	March 1-3, 2023
Alternate or Makeup Test Date(s)	Not applicable to PSAT 8/9.	Tuesday, October 25	April 12-14 and 18-19, 2023
Accommodated Testing Window	Not available. Schools may use flexible scheduling for students.	Not available. All students must test on the primary test, and students approved for certain accommodations may test over two days or the alternate date will be designated on the NAR.	Schools may use flexible scheduling for eligible students from March 1-14, 2023, and will be designated on the NAR.
Off-Site Testing	Off-site testing can be completed without College Board permission.	Off-site testing can be completed without College Board permission.	Off-site testing can be completed without College Board permission. If additional return kits are needed, schools must submit an off-site testing plan beginning in October via the request form.

Test Administration			
Category	**PSAT 8/9**	**PSAT/NMSQT**	**SAT School Day**
Communication	Schools will receive standard College Board communication.	Schools will receive standard College Board communication supplemented by IDOE.	Schools will receive emails/updates form IDOE and customized emails from College Board from IndianaTesting@collegeboard.org.
After Testing			
Grade-Level Adjustments	Schools can complete the invoice process in TOS following testing to correct student grade-levels for reporting purposes.	Schools can complete the invoice process in TOS following testing to correct student grade-levels for reporting purposes.	Schools do not complete an invoice process.
Online Score Reporting: Students	Scores are released to students using standard timelines to their College Board student accounts.	Scores are released to students using standard timelines to their College Board student accounts.	Scores are released to students approximately four to six weeks after testing.
Online Score Reporting: Educators	Scores are released to educators using standard timelines via the K-12 Reporting Portal.	Scores are released to educators using standard timelines via the K-12 Reporting Portal.	Scores are released to educators via the K-12 Reporting Portal following state review and approval of preliminary accountability data.
Fee Waivers/Free Reduction Benefits (View more information here.)	Not available.	Schools identify eligible students in TOS during the invoice generation process. This will deliver benefits directly to student accounts.	Schools receive a file of fee waiver codes in the K-12 Reporting Portal for students in March 2023. These codes provide the same benefits as fee reductions in the fall.
Released Forms	Forms are released from all testing windows.	Primary and alternate testing window forms are released.	Educators can view disclosed question and answer choices in the K-12 Reporting Portal for students that test on Wednesday, April 12.
Invoicing	Schools will be invoiced for assessments ordered and administered.	Schools are not invoiced for students in grades 10 and 11 for the PSAT/NMSQT. Schools will be invoiced directly for other tested grades.	Schools are not invoiced for the SAT. Schools will receive an invoice if an order is erroneously placed in TOS.
