

Indiana Department of Education

Dear **[Parent/Guardian]**,

We hope this letter finds you well. **[Student Name]** recently participated in Indiana's Reading Evaluation and Determination (IREAD-3) assessment, a required statewide assessment designed to measure foundational reading skills based on Indiana Academic Standards through grade three. We appreciate their effort and commitment to participating in this statewide test.

Following the calculation of assessment results from the recent testing window, it has been observed that your child's assessment falls into the "Undetermined" reporting category due to an insufficient number of questions answered. We understand the importance of accurate assessments in monitoring and enhancing your child's academic progress.

To ensure a thorough evaluation and provide the best support for your child's learning, **[Student Name]** will be required to participate in the summer retesting window. This additional assessment opportunity will help us obtain comprehensive data to accurately measure your child's reading abilities.

The IREAD-3 Summer Retest window will be held from **[Insert Local Testing Dates]**. We appreciate your understanding and cooperation in scheduling a convenient time for your child to participate in the retest. Please reach out to **[Insert Child's Teacher or School Contact]** with any questions regarding next steps for your child's retesting.

Thank you for your continued support.

Dear **[Parent/Guardian]**,

We hope this letter finds you well. **[Student Name]** recently participated in Indiana's Reading Evaluation and Determination (IREAD-3) assessment, a required statewide assessment designed to measure foundational reading skills based on Indiana Academic Standards through grade three. We appreciate their effort and commitment to participating in this statewide test.

It has been observed that your child experienced an irregularity during testing, which impacts the accuracy and validity of test scores. Some examples of irregularities during testing impacting results include (1) student receiving assistance on test questions or (2) student refusing to participate in the assessment. As a result, your child's test results have been reported as "Invalidated" on the IREAD-3 assessment. We understand the importance of accurate assessments in monitoring and enhancing your child's academic progress.

To ensure a thorough evaluation and provide the best support for your child's learning, **[Student Name]** will be required to participate in the summer retesting window.
