Graduation Rate, Statewide Assessments (ILEARN, IREAD) Scoring

- Each school corporation with 10 or more students in a category is awarded one to five points depending on the quintile in which that element falls. Quintiles are classifications that are based on the overall number of scored corporations for a particular enrollment size group, divided into five equal groups.

By Enrollment Group	
Quintile	Points
Top 20% of LEAs	5
Next 20%	4
Next 20%	3
Next 20%	2
Bottom 20%	1

LEAST RESTRICTIVE ENVIRONMENT (LRE)

LRE Scoring

- **First Stage:** Follows the same guidelines used for Graduation Rate and State Assessments

- **Second Stage (For corporations meeting state target only):** Based on feedback from stakeholder groups, corporations meeting the state target for LRE will receive a score of four or five. Corporations in the lower half of each size group meeting the state target will receive a four, while those in the upper half of each size group will receive a five.
