

Medicaid Reimbursements for
Mandated Medical School Based Services

Local Education Agencies (LEAs) include Indiana public school corporations, charter and state schools. Medicaid claiming for mandated medical services is voluntary. The participating LEAs receive and retain 100% of the joint-funded (state/federal) Medicaid reimbursements for covered medical services.

LEAs restore the state funded portion to their tuition support eduction funds. LEAs may use the unrestricted federal portion (typically about 66% of total payment) as they deem appropriate, for example, to help cover costs of specialized equipment, training, supplies, parent training, and professional development.
