Month of Review: January 2022

Commendations

- * During this pandemic time, it should be noted that the food service staff has done a nice job continuing to manage the NSLP. The food service director was very organized and prepared for the review. The results of the review reflect her ability to transfer her professional hourly trainings into the skills of maintaining a good food service program. The kitchen staff was friendly to the students and kept their workspaces and food storage areas very clean.

No Administrative Findings during Review
