Commendations

- * The foodservice office was well prepared and organized for the Administrative Review. The Smart Temp system and the Digi system were impressive. The foodservice staff in the observed schools were friendly. The serving lines were clean and the food looked very appetizing.

Technical Assistance

- * Foodservices does have a food safety plan booklet in each kitchen. This should be reviewed yearly and updated as needed. The cafeteria manager should date and sign when the plan was reviewed.
- * The cashier was requiring the student to take more items than was necessary for offer vs serve. The foodservice office has a power point presentation that they will train the employees throughout the year for breakfast and lunch.

Certification and Benefit Issuance - New Albany-Floyd County Cons School Corporation (2400)

126. *Certification: selected applications correctly approved*

Finding 9000: Application Error

One student was determined by income to be free but should have been paid.

Corrective Action:

The letter of adverse was sent to the household and the foodservice office did contact the household with a phone call as well explaining the error. No further action is needed.

Technical Assistance:

Technical assistance was provided.
