Month of Review: December 2022

Commendations

- * The staff did a great job organizing and preparing for the Administrative Review. It is obvious that the food service staff works well together and enjoy student interaction. The Smart System for sanitation provides great food safety training.

Technical Assistance

- * Weights and measures were discussed and training provided for food preparation.
- * Although the triennial assessment for the Wellness Policy was waived for this school year, the reviewer sent the IDOE link for it.
