Meal Components & Quantities - Hobart Middle School (4309)

409. Review Period- all required meal components per weekly meal pattern requirements were offered and served to students

Finding 9000: Production Records

The food production records need to have more consistency from day to day. The SFA must document the item served, serving size, prepared servings, total servings of each item, servings leftover, and the amount of purchase units pulled from inventory.

Corrective Action:

The SFA and state agency discussed the required fields to be documented each day on the production records. The SFA understands and no further action is necessary.
