- * During this pandemic time, it should be noted that the food service staff has done a nice job continuing to manage the NSLP. The school and food service staff were well organized and prepared for this review. Overall, the kitchen workspaces and food storage areas were very clean and organized. The food service staff are friendly and eager to learn.

Meal Components & Quantities - St. Louis School (D130)

410. Review Period- planned menu quantities meet the meal pattern requirements

Finding 9000: The Other Vegetable Subgroup was not offered for the week of review.

Corrective Action:

Both co-managers understood the requirement once the reviewer provided technical assistance. No further action is needed.

Technical Assistance:

This reviewer provided a handout on the vegetable subgroups and explained that the Starchy vegetable subgroup is the only subgroup that cannot count toward the Other vegetable subgroup when served more than once a week.
