Commendations

- * The Food Service Director was prepared and organized for the Administrative Review. The food service employees were polite and interacted with the students. The kitchen and storage areas were very clean. The number of choices for entrees, fruit, and vegetables were nice for the students.

Technical Assistance

- * The Summer Foodservice Program was discussed with the Food Service Director and Superintendent, it appears that the corporation does not meet the eligibility requirements at this time. More information and guidance will be available in the spring of this year.
- * The indirect cost was charged outside of the 90 day requirement. 90 days are determined by actual days, not by months. June 30 to September 28 would be 90 days instead of September 30.
