

## **General Industry 29 CFR 1910**

In Federal Year 2006, 1,196 Manufacturing Industries were inspected by the Indiana Occupational Safety and Health Administration (IOSHA). The top three industries inspected in Federal Year 2006 included Transportation Equipment (266 IOSHA inspections), Fabricated Metal Products (210 IOSHA inspections, except for machinery and transportation equipment), and Primary Metals Industry (145 IOSHA inspections).

The following list includes the Standards which were cited by Indiana OSHA in Federal Year 2006. The list includes the number of instances in which the Standard was cited, number of inspections, penalty amount, and the description of the Standard cited. For additional information concerning the citation, please click the Standard Number (found in the left column). Penalties shown reflect current rather than initial amounts.

For further information or questions pertaining to this document, please contact the Indiana Department of Labor.
