

## Prohibited Occupations for Hoosier Teen Workers

As summer approaches, many Indiana teens will seek out work for the first time. For teens, and parents alike, this process can prove daunting, as many first time workers are not familiar with Indiana child labor laws and their associated restrictions. The U.S. Department of Labor has set specific guidelines regarding the types of jobs that minors (17 and younger) can perform. Among these guidelines is a list of occupations deemed prohibited occupations.

Prohibited occupations may not be performed by minors.

For teens 15 years old and younger, there are additional restrictions. These general guidelines can prove to be helpful in narrowing down job searches for teens and parents. An outline of prohibited occupations appears below.

For more information on the employment of minors or prohibited occupations, please visit the U.S. Department of Labor's website at [www.osha.gov/SLTC/teenworkers/](http://www.osha.gov/SLTC/teenworkers/) or the Indiana Department of Labor's Bureau of Child Labor website at [www.in.gov/dol/childlabor.htm](http://www.in.gov/dol/childlabor.htm).
