FORT WAYNE COMMUNITY SCHOOLS
COUNTY OF ALLEN
STATE OF INDIANA

We, the undersigned members of the Fort Wayne Community Schools ("FWCS") Common Wage Committee, appointed pursuant to I.C. 5-16-7, do hereby fix and determine the common construction wage rates to apply on the following projects:

- 20041533* - 2005 Kekionga Building Systems Replacement Project
1534 - 2005 South Side Natatorium Mechanical Renovation Project
1535 - 2005 General Building Systems Project
1536 - 2005 Roof Project
1537 - 2005 Traffic & Site PPI Project
1538 - 2005 ADA Project
1539 - 2005 Mechanical PPI Project
1540 - 2005 Electrical PPI Project
1541 - 2005 Temperature Controls Project
1542 - North Side Renovation and Addition Project

undertaken by FWCS for each class of work as follows in Attachment A:

Employment of Apprentices: Apprentices will be permitted to work at less than the predetermined rate for "Skilled" or "Unskilled" workers when they are employed pursuant to and individually registered with the U.S. Bureau of Apprenticeship and Training. Their rate of pay shall not be less than the stated percentage of the "Skilled" classification as established through the apprenticeship training program. The ratio of apprentices to journeyman shall not exceed the rate established by the U.S. Bureau of Apprenticeship and Training.

The absence of a wage determination for the classes of Semi-Skilled and Unskilled workers in a particular classification as the result of the Committee's determination that the prevailing practice in the immediate locality is not to use Semi-Skilled or Unskilled workers in that classification on construction sites.

The wages set forth by the Committee are the minimum and shall not prevent the contractor or subcontractor from paying a higher rate of pay. Furthermore, the wage rates are established on the date signed.
