**Introduction**

Welcome to INtax, Indiana’s free online tool to manage business tax obligations for Indiana retail sales tax, withholding tax, out-of-state sales tax, gasoline use tax, metered pump sales tax, tire fees, fuel tax, wireless prepaid fees, type II gaming fees, food and beverage tax, county innkeeper’s tax, alcohol excise tax, and other tobacco products excise tax.

The INtax Taxpayer Guide reviews the many functions of INtax with step-by-step instructions and images of active INtax screens. This guide assumes you already have registered your business with INtax. If you have not registered your business, please view the INtax QuickStart Guide, available online at www.in.gov/dor/4336.htm, and follow its detailed instructions.

Before you begin using INtax, you’ll need your username and password. Please make sure you are able to log in to INtax.
File a return

To file a return using INtax, follow these steps:

**Step 1:** Select **Businesses** (see arrow #1 below) to navigate to the Business Details page.

**Step 2:** For the row of the tax type account for which you want to file a return, select **File** (see arrow #2 below) in the Actions column. For some tax type accounts, you will be asked for additional information to determine which form you want to file.

*Note: Remember to file first and then pay.*
**Step 3:** The following pages may vary depending on the type of return you are filing.

Enter the correct period end date, and then select **Next**.

*Note: This is the last day of the month/year that you have collected tax, not the due date of the return being filed.*
Step 4: Enter all return information.

Step 5: Check the box (see arrow #1 below) to declare that the amounts are correct, and then select Submit (see arrow #2 below).
A Return Confirmation page displays after the return has been submitted successfully. To make a payment in INtax, select **Make a Payment** on the confirmation screen.
Make a payment

To make a payment using INtax, follow these steps:

*Note: If you selected **Make a Payment** from the Return Confirmation page after successfully submitting a return, skip to Step 3.*

**Step 1:** Select **Pay**, then select **Make a Payment** (see arrow #1). If you only have one tax type account registered to your INtax username, skip to Step 3.

Alternatively, for the row of the tax type account for which you want to make a payment, you can select **Pay** (see arrow #2 below) in the Actions column. If you choose this alternative, skip to Step 3.

*Note: Remember to file first and then pay.*
Step 2: Select either the name of the tax type account for which you would like to make a payment, or select Pay in the Actions column for the row of the tax type account for which you would like to make a payment.
Step 3: From the dropdown menu, select the period dates for which you would like to make a payment and enter the payment information. Then, select Continue.
Step 4: Review the Confirm Payment page to ensure the submitted payment information is correct. Once you have verified the information is correct, select **Submit** to process your payment. If it is not correct, select **Previous** to edit the information.
**Step 5:** A Payment Confirmation page displays after the payment has been submitted successfully. Print this page for your records. If you have not filed the return, select **File Return** from the Payment Confirmation page. Depending on the tax type, INtax may populate the form with information or you may have to choose the form type.
Electronic Funds Transfer

Electronic Funds Transfer (EFT) is a fast and secure way for businesses to transfer funds. Businesses using INtax to file returns also are required to register for and submit tax payments by EFT.

Note: Payment options for alcohol and other tobacco products (OTP) tax types are different. To submit an ACH credit payment for alcohol or OTP taxes, please refer to the electronic funds transfer (EFT) guide online at www.in.gov/dor/3976.htm. You may make a payment using an electronic check, credit card or debit card by visiting www.payINgov.com/specialtax. Convenience fees for these options apply. For more information, visit www.in.gov/dor/5162.htm (Alcohol) or www.in.gov/dor/5168.htm (OTP).

To register EFT information, follow these steps:

**Step 1:** From the left navigation, select **EFT Registration**.
**Step 2:** This screen lists your accounts and indicates whether they are registered for EFT. Select the account for which you want to add/register an EFT Profile by selecting **Add**.
Step 3: Fill in the required information, check the box authorizing the department to debit your account (see arrow #1 below), and select Submit (see arrow #2 below) to complete your EFT registration.
