To Whom It May Concern:

Subject: Bulk Milk Permits

On behalf of Indiana Department of Transportation and Indiana department of revenue, I wanted to take a moment to remind all concerned of the following changes in Indiana code concerning transportation and permitting of bulk milk.

Notice: Effective July 1, 2018, IC 9-20-6-2.1 and SEA 212, Sec. 2 authorize INDOT to grant annual Bulk Milk permits for loads up to 100,000 lbs. GVW based on the total equivalent single axle load. Annual bulk milk permits will be available to approved applicants with calculations less than or equal to 2.40 equivalent single axle loads (ESALs). The fee for an annual bulk milk permit is \$20. For bulk milk carriers with total ESALs greater than 2.40 or with loads greater than 100,000 lbs. GVW, regular single trip oversize/overweight permits are available at the standard fee levels. For additional information please call IDOR 317-615-7320 or myself at the number below.

Thank you for your attention in this matter.

Sincerely,

Tony Avona
