

Make a Tax Bill Payment Without Logging In to INTIME

INTIME Quick Guide

Customers who receive a tax bill or warrant can make a secure payment to the Indiana Department of Revenue (DOR) using INTIME without the need to sign up or log in. Go to [INTIME](#) and select "Make a payment" under "Payments."

The image shows the homepage of the Indiana Taxpayer Information Management Engine (INTIME). At the top, there is a login form with fields for "username" and "password" and a "Log In" button. Below the login form, there are links for "Forgot username or password?" and "New to INTIME? Sign Up". The main content area features three cards: "Registration" (a person writing on a form), "Payments" (a person holding a credit card), and "Where's my refund?" (a person holding a check). The "Payments" card is circled in red, and an arrow points to the "Make a payment" link within it.

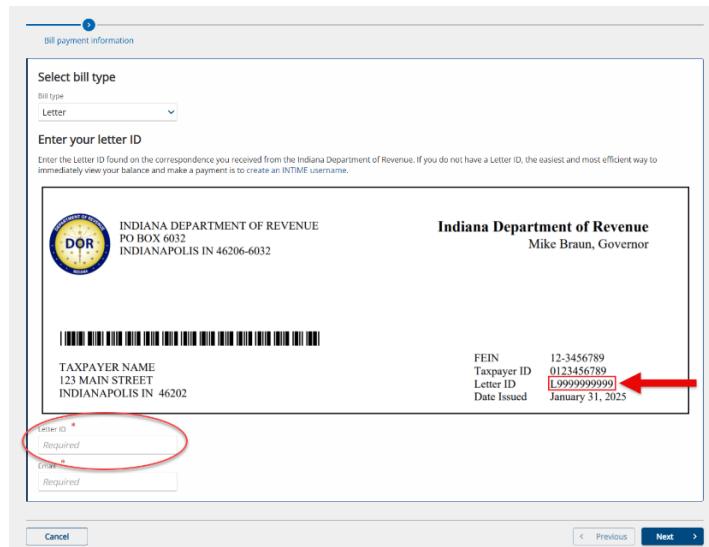

Under "Bill payments," select your preferred option: bank payment or credit/debit card. There is no fee for electronic bank payments, while credit and debit cards have applicable fees.

The image shows the "Payments" page of INTIME. The "Payments" section is highlighted with a red circle. Below it, there are three sub-sections: "Bill payments" (with a red circle around it), "Non-bill payments", and "Payment plan payments". Each sub-section has a description and a list of payment options. The "Bill payments" section is described as "Select this option to pay using Letter ID or Warrant number included on a bill, estimated payment voucher, or other notice." The "Bank payment (no fee)" option is circled in red.

After clicking on the "Bank payment (no fee)" option, you will be prompted to "Select bill type."

Payment

Enter bank account information, the payment amount, and select a payment date. Assessed penalty and interest may cause a difference between the amount due noted in your letter versus the current amount due shown in INTIME.

When choosing to use a credit/debit card (additional fees) as a method of payment, a series of similar prompts will walk you through the process.

The box must be checked to confirm that you have read the warning stating that, by clicking the "Submit" button, you affirm having authorization to withdraw funds from the bank account provided for payment.

After submitting your request, a confirmation message will be sent to the email provided. Submissions can be edited if done before it is processed. Print or save the confirmation page for your records.
