

IT-8879 Instructions

Purpose of this form

Complete Form IT-8879 when the Practitioner PIN method is used or when the taxpayer authorizes the Electronic Return Originator (ERO) to enter or generate the taxpayer's Personal Identification Number (PIN) on his or her electronically filed Indiana individual income tax return.

The ERO will:

1. Enter the taxpayer's (and spouse's if filing a joint return) name, address, Social Security number, and daytime telephone number where indicated at the top of the form.
2. Complete Part I, using the amounts from the taxpayer's Indiana individual income tax return.
3. Complete Part II, if the taxpayer elects to have their refund direct deposited into their financial institution savings, checking or Hoosier Works MC[®] account.
4. Enter or generate, if authorized by the taxpayer, the taxpayer's PIN in the boxes provided in Part III. If the taxpayer does not authorize the ERO to enter or generate the PIN, the taxpayer must enter their own PIN in Part III.
5. Enter on the Authorization Line in Part III, the ERO firm name (not the name of the individual preparing the return) if the ERO is authorized to enter the PIN for the taxpayer.
6. The ERO will then enter their Practitioner PIN, sign and date on Part IV only if using the Practitioner PIN method.
7. Keep the submission ID on file. It is not necessary to fill in the submission ID unless the form is requested by the department. Before providing the form to the department, this field should be completed.

NOTE: The ERO must receive the completed and signed Form IT-8879 from the taxpayer before the electronic return is transmitted.
