## Tax day is here!

Indiana Department of Revenue sent this bulletin at 04/15/2024 12:55 PM EDT

April 15, 2024

1-minute, 20-second read

**Today is the deadline** to file your 2023 Individual income tax return and make any additional tax payments due to the IRS and DOR.

If you are required to make estimated payments for the 2024 tax year, your first quarterly estimated payment is due today.

## How to Pay

You can pay any state taxes owed through [INTIME](#). This customer portal also allows taxpayers to access their tax information and message DOR customer service representatives.

*Customers cannot file their Individual income tax returns using INTIME.*

## Need More Time?

If you need an extension to file your Indiana Individual income taxes, file a 2023 Application for Extension of Time to File (Form IT-9) through INTIME **by April 15**. You do not need to file an extension request if you have already been given one by the IRS.

If you receive an extension of time to file, you have until Oct. 15 to submit your federal tax return and until Nov. 15 to submit your Indiana tax return.

The extension allows additional time to file but is **not an extension of time to pay**. If you pay 90% of taxes owed today and the rest of the tax plus interest by Nov. 15, DOR will waive any [penalties](#). Penalties will accrue on the unpaid amount if you pay less than 90% of what is owed by today's deadline.

Visit the [Extension of Time to File](#) webpage for more information on filing and payment deadlines.
