INSTRUCTIONS TO PROPOSERS

FORM A

PROPOSAL LETTER

PROPOSER: _____________________________________________________________

Proposal Due Date:  August 13, 2020

The undersigned (“Proposer”) submits this proposal (this “Proposal”) in response to that certain Request for Proposals (as amended, the “RFP”) issued by the Indiana Finance Authority (“IFA”), a body politic and corporate, not a state agency but an independent instrumentality exercising essential public functions, in cooperation with the Indiana Department of Transportation (“INDOT”), dated March 12, 2020, to design and build the I-69 Section 6 Contract 5 Project (the “Project”), as more specifically described herein and in the documents provided with the RFP (the “RFP Documents”). Initially capitalized terms not otherwise defined herein shall have the meanings set forth in the RFP and the RFP Documents.

Subject to the terms below, in consideration for IFA supplying us, at our request, with the RFP Documents and agreeing to examine and consider this Proposal, the undersigned undertake(s) [jointly and severally]

a) Subject to ITP Section 4.6.2, to keep this Proposal open for acceptance initially for 150 days after the Proposal Due Date, without unilaterally varying or amending its terms and without any member or partner withdrawing or any other change being made in the composition of the [partnership/joint venture/limited liability company/consortium] on whose behalf this Proposal is submitted, without first obtaining the prior written consent of IFA, in IFA’s sole discretion; and

b) If this Proposal is accepted, to provide security (including bonds and insurance) for the due performance of the Public-Private Agreement (“Agreement”) as stipulated in the Agreement and the RFP.

If IFA properly draws on Proposer’s Proposal Security in accordance with the terms, and subject to the conditions of the RFP Documents, and the surety/ies or other financial
institution(s) providing the Proposal Security refuses to honor IFA’s proper draw thereon, by its signature(s) below, the undersigned undertakes, on behalf of Proposer’s Equity Members, and by such signature, Proposer’s Equity Members each assume, joint and several liability to IFA for the entire stated amount (in the case of a certified check made payable to IFA) or penal sum (in the case of a Proposal Bond) of the Proposal Security.

If selected by IFA, Proposer agrees to do the following or to cause the Design-Build Contractor to do the following: (a) if requested by IFA in its sole discretion, enter into good faith negotiations with IFA regarding the terms of the Agreement with IFA in good faith and in accordance with the requirements of the RFP, (b) enter into the Agreement without varying or amending its terms (except for modifications agreed to by IFA, in its sole discretion) and satisfy all other conditions to award of the Agreement; and (c) perform its obligations as set forth in the ITP and Agreement, including compliance with all commitments contained in this Proposal.

The following individual(s) is/are authorized to enter into negotiations with IFA on behalf of Proposer and Design-Build Contractor in connection with this RFP, the Project and the Agreement: ____________________________________________________________ [insert names]

Proposer certifies that its Proposal is submitted without reservation, qualification, assumptions or conditions and that it agrees to the terms and conditions of the RFP Documents. Proposer certifies that it has carefully examined and is fully familiar with all
of the provisions of all of the RFP Documents, has reviewed all materials posted on the SharePoint Site, the Addenda (if any) and responses to questions and comments, and is satisfied that the RFP Documents provide sufficient detail regarding the obligations to be performed by Design-Build Contractor and do not contain internal inconsistencies, errors or omissions; that it has carefully checked all the words, figures and statements in this Proposal; that it has conducted a Reasonable Investigation in preparing this Proposal; and that it has notified the Project Sponsors in writing of any deficiencies or errors in or omissions from any RFP Documents or other documents provided by IFA and of any unusual site conditions observed prior to the date hereof.

Proposer represents that all statements made in the SOQ previously delivered to IFA (as amended and resubmitted) are true, correct and accurate as of the date hereof, except as otherwise specified in the enclosed Proposal and Proposal forms. Proposer agrees that such SOQ, except as modified by the enclosed Proposal and Proposal forms, is incorporated as if fully set forth herein.

Proposer understands that IFA is not bound to award the Agreement to the best financial Proposal, lowest price, the highest ranked Proposal or any Proposal that IFA may receive.

Proposer further understands that all costs and expenses incurred by it in preparing this Proposal and participating in the RFP process will be borne solely by Proposer, except any stipend that IFA may pay Proposer in accordance with the Stipend Agreement and ITP Section 6.3. Proposer acknowledges that it has executed the Stipend Agreement and, in doing so, has irrevocably elected to accept the stipend offered for such work product.

Proposer acknowledges and agrees to the disclosure terms of the ITP. Proposer expressly waives any right to contest such disclosures.

Proposer agrees that the Project Sponsors will not be responsible or liable for any errors, omissions, inaccuracies, inconsistencies or incomplete statements in this Proposal.

Proposer acknowledges the procurement protest procedures set forth in ITP Section 7.0 and agrees that if it files a protest of this procurement or award of an Agreement hereunder and that protest is denied or is otherwise unsuccessful, Proposer shall forfeit its Proposal stipend and shall be liable to the Project Sponsors for the Project Sponsors’ costs incurred to defend against or resolve the protest, including legal and consultant fees and costs, and any unavoidable damages sustained by the Project Sponsors as a consequence of the protest.

[TO BE COMPLETED BY PROPOSER ON ITS BEHALF AND ON BEHALF OF ALL ENTITIES ON THE PROPOSER TEAM]

Proposer’s attention is directed to 23 CFR Part 636, Subpart A and in particular to Subsection 636.116 regarding organizational conflicts of interest. Section 636.103 defines “organizational conflict of interest” as follows:

Organizational conflict of interest means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the owner, or the person’s objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage.

Proposers are advised that in accordance with Section 2.9.2 of the Instructions to Proposers, certain firms will not be allowed to participate on any Proposer’s team for the Project because of their work with the Project Sponsors in connection with the procurement and document preparation for the Project.

1. Disclosure

In the space provided below, and on supplemental sheets as necessary, identify all relevant facts relating to past, present, or planned interest(s) of Proposer’s team (including Proposer, Design-Build Contractor, the Major Participants, proposed consultants and proposed Subcontractors, and their respective chief executives, directors, and key project personnel) which may result, or could be viewed as, an organizational conflict of interest in connection with this RFP. If no disclosure is necessary, indicate “None”.

By way of example only, and in no way limiting Proposer’s disclosure obligations, Proposer should disclose (a) any current contractual relationships with the Project Sponsors, (b) any past, present, or planned contractual or employment relationships with any Project Sponsor member, officer, or employee; and (c) any other circumstances that might be considered to create a financial interest in the contract by any Project Sponsor member, officer, or employee if Proposer is awarded the contract. Proposer should also disclose matters such as ownership of 10% or more of the stock of, or having directors in common with, any of the RFP preparers. Proposer should also disclose contractual relationships with an RFP preparer in the nature of a joint venture, as well as relationships wherein the RFP preparer is a contractor or consultant (or subcontractor or subconsultant) to Proposer or a member of Proposer’s team. The foregoing is provided by way of example, and shall not constitute a limitation on the disclosure obligations.
2. **Explanation**

In the space provided below, and on supplemental sheets as necessary, identify steps that have been or will be taken to avoid, neutralize, or mitigate any organizational conflicts of interest described herein.
3. **Certification**

The undersigned hereby certifies that, to the best of his or her knowledge and belief, no interest exists that is required to be disclosed in this Conflict of Interest Disclosure Statement, other than as disclosed above.

PROPOSAL BOND

Bond No. ________

KNOW ALL PERSONS BY THESE PRESENTS, that the ____________________________ [NOTE: insert name of Proposer as the Principal and delete this bracketed text], as Principal and ____________________________, as Surety or as Co-Sureties, each a [corporation] duly organized under the laws of the State of Indiana, having its principal place of business at the address listed on the attached page, in the State indicated on the attached page, and authorized as a surety in the State of Indiana, are hereby jointly and severally held and firmly bound unto the Indiana Finance Authority (“IFA”), in the sum of $25,000,000 [NOTE: insert amount and delete this bracketed text; amount must be $25,000,000 if a single bond is provided; multiple bonds in lesser amount may be provided if the sum equals $25,000,000] (the “Bonded Sum”). This Bonded Sum reflects [a portion of][NTP: delete bracketed language if a single bond is provided] the total amount payable to IFA by the Principal if it is identified as the apparent highest ranked proposer or awarded a contract based on its Proposal for the development, design and construction of the Project (the “Project”), for the payment of which we each bind ourselves, and our heirs, executors, administrators, representatives, successors, and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal is herewith submitting its Proposal to design and construct the Project through a Public-Private Agreement (the “Agreement”), which Proposal is incorporated herein by this reference and has been submitted pursuant to IFA’s Request for Proposals dated as of March 12, 2020, as amended or supplemented, (the “RFP”), in accordance with the Instructions to Proposers (“ITP”) included in the RFP (initially capitalized terms not otherwise defined herein shall have the meaning set forth in the ITP);

NOW, THEREFORE:

1. The condition of this bond is such that, upon occurrence of any of the following events, then this obligation shall be null and void; otherwise it shall remain in full force and effect, and the Bonded Sum will be forfeited to IFA as liquidated damages and not as a penalty, upon receipt by Principal and Surety or by Principal and Sureties listed on the attached page (the “Co-Sureties”) of notice of such forfeiture from IFA:

   (a) Principal's receipt of written notice from IFA that either (i) no Agreement for the Project will be awarded by IFA pursuant to the RFP, or (ii) IFA has awarded an Agreement for the Project, has received the executed Agreement and other required documents, and does not intend to award the Agreement to Principal;
(b) Except as expressly provided otherwise in the RFP and/or agreed to by IFA in writing, Principal’s performance of its obligations, as set forth in the ITP, to achieve commercial close by the applicable deadline, as such deadline may be extended in accordance with the RFP; or

(c) If IFA has not previously delivered notice of forfeiture hereunder, failure of IFA to notify Principal that it is the Preferred Proposer within 150 days after the Proposal Due Date.

2. The Principal and the Surety or Co-Sureties hereby agree to pay to IFA the full Bonded Sum hereinabove set forth, as liquidated damages and not as a penalty, within ten days after occurrence of any occurrences in Section 4.7 of the ITP.

3. Principal agrees and acknowledges that such liquidated damages are reasonable in order to compensate IFA for damages it will incur as a result of Principal’s failure to satisfy the obligations under the RFP to which Principal agreed when submitting its Proposal. Such damages include potential harm to the credibility and reputation of IFA’s transportation improvement program, including with policy makers and with the general public, delays to the Project and additional costs of administering this or a new procurement (including engineering, legal, accounting, overhead and other administrative costs). Principal further acknowledges that these damages would be difficult and impracticable to measure and prove, are incapable of accurate measurement because of, among other things, the unique nature of the Project and the efforts required to receive and evaluate proposals for it, and the unavailability of a substitute for those efforts. The amounts of liquidated damages stated herein represent good faith estimates and evaluations as to the actual potential damages that IFA would incur as a result of Principal’s failure to satisfy the obligations under the RFP to which Principal agreed when submitting its Proposal, and do not constitute a penalty. Principal agrees to such liquidated damages in order to fix and limit Principal’s costs and to avoid later Disputes over what amounts of damages are properly chargeable to Principal.

4. The following terms and conditions shall apply with respect to this bond:

(a) This Proposal Bond shall not be subject to forfeiture in the event that IFA disqualifies the Proposal based on a determination that it is non-responsive or non-compliant.

(b) If suit is brought on this bond by IFA and judgment is recovered, Principal and Surety or Co-Sureties shall pay all costs incurred by IFA in bringing such suit, including, without limitation, reasonable attorneys’ fees and costs as determined by the court.

(c) Any extension(s) of the time for award of the PPA that Principal may grant in accordance with the PPA or otherwise, shall be subject to the reasonable approval of Surety or Co-Sureties.
Correspondence or claims relating to this bond should be sent to Surety at the following address:

   (b) IFA hereby retains Proposer to actively participate in good faith in the procurement process and to prepare a responsive and compliant Proposal in response to the RFP. Responsiveness and compliance shall be determined pursuant to the ITP. Proposer shall be considered a vendor for purposes of payment of the stipend.

   (c) Subject to the provisions of the RFP Documents regarding ownership of the Proposal and Proposer work product, all work product submitted by Proposer to the Project Sponsors during the procurement and in connection with the Proposal (including all ATCs, written and electronic correspondence, exhibits, photographs, reports, printed material, tapes, disks, designs, concepts, ideas, technology, techniques, methods, processes, drawings, reports, plans, specifications, and other graphic and visual aids generated by or on behalf of Proposer for the purpose of developing its Proposal during this procurement process) shall be considered work for hire, and the products of such work shall become the property of the Project Sponsors without restriction or limitation on their use. Neither Proposer nor any of its team members shall copyright any of the material developed under this Stipend Agreement. The foregoing rights of the Project Sponsors shall not apply to work product that is expressly required to be returned to Proposer under the RFP.
2. TERM

Unless otherwise provided herein, the provisions of this Stipend Agreement shall remain in full force and effect until the earlier to occur of (a) 12 months from the date of the execution of this Stipend Agreement or (b) the date payment is delivered hereunder; provided that if payment has not been made under this Stipend Agreement prior to the date referred to in clause (a) above, this Stipend Agreement shall continue in full force and effect until the date on which such payment has been made by IFA and received by Proposer. Work pursuant to this Stipend Agreement is authorized to commence effective upon the execution date of this Stipend Agreement, and the work product is due and must be delivered to IFA no later than the earlier of (i) 15 days after delivery to Proposer of notice by IFA of the cancellation by IFA of this procurement or (ii) the Proposal Due Date.

3. COMPENSATION AND PAYMENT

IFA shall pay to Proposer (or as it may direct) a stipulated stipend payment for this procurement if none of the circumstances in Section 6.3.2 of the ITP apply and preclude Proposer from receiving the stipend. The form of invoice submitted by Proposer shall be as set forth in Exhibit 1 hereto.

4. INDEMNITIES AND SURETYSHIP

(a) Proposer agrees that it will indemnify, defend, and hold harmless the Project Sponsors and all of the Project Sponsors’ respective officers, agents, representatives, employees, successors and assigns from any claim, loss, damage, cost, judgment, fee, penalty, charge, or expenses (including attorneys’ fees and costs) asserted, incurred, suffered or awarded as a result of or that relate to any third party claims, suits, actions, allegations or proceedings arising out of or caused by any acts, actions, negligence, omissions, fault, willful misconduct, violation of law or breach of contract by Proposer, its Equity Members, Major Participants, other team members or their respective agents, employees, or representatives arising out of or relating to the work product performed hereunder or in connection with or contained in the Proposal, whether direct or indirect, and whether to any person or property to which the Project Sponsors or said parties may be subject, except that Proposer shall not be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence or willful misconduct of the Project Sponsors or any of their respective officers, agents, representatives or employees. The foregoing indemnity shall survive the expiration or termination of this Stipend Agreement and shall expressly apply to and include all third party claims, suits, actions or allegations of infringement, confidential information, domestic or foreign patent rights, copyrights, intellectual property rights, moral rights, trade secrets, proprietary rights, licensing rights and unauthorized use. Notwithstanding the foregoing, except for such matters covered by the immediately preceding sentence, the indemnity shall not cover use by the Project Sponsors of such work product performed under this Stipend Agreement after award of the Agreement. Should Proposer become the Design-Build Contractor under the Agreement, the indemnity under this Section 4(a) shall continue to apply in accordance with its terms and be additive to any indemnifications set forth in the Agreement.
(b) Proposer's obligation to indemnify, defend, and pay for the defense or, at the Project Sponsors' option, to participate and associate with the Project Sponsors in defense of any claim and any related settlement negotiations, shall be triggered by either of the Project Sponsors' notice of claim for indemnification to Proposer. Only a final and unappealable adjudication or judgment specifically finding sole negligence or willful misconduct of the Project Sponsors or any of their respective board members, officers, agents, representatives or employees shall excuse performance of this provision. Proposer shall pay all costs and fees related to this obligation and its enforcement by the Project Sponsors. A failure by the Project Sponsors to notify Proposer of a claim shall not release Proposer of the above duty to defend.

(c) For purposes of this Section 4, “third party” means any Person (as defined in the Agreement) other than an Indemnified Party (as defined in the Agreement) and Proposer, except that a “third party” includes any Indemnified Party’s employee, agent or contractor who asserts a claim that is (a) against an Indemnified Party, (b) within the scope of the indemnities and (c) not covered by the Indemnified Party’s worker’s compensation program.

5. COMPLIANCE WITH LAWS

(a) Proposer acknowledges that all written correspondence, exhibits, photographs, reports, printed material, tapes, electronic disks, and other graphic and visual aids submitted to the Project Sponsors during this procurement process, are, upon their receipt by the Project Sponsors, the property of the Project Sponsors and are subject to the Public Records Act.

(b) Proposer shall comply with all federal, state, and local laws; ordinances; rules; and regulations applicable to the work or payment for work thereof, and shall not discriminate on the grounds of race, color, religion, sex, national origin, age, or disability in the performance of work under this Stipend Agreement. Proposer shall also comply with all customary vendor payment requirements of the State of Indiana, including completion of a W-8 form.

(c) Proposer covenants and agrees that it and its employees shall be bound by the standards of conduct provided in applicable laws, ordinances, rules, and regulations as they relate to work performed under this Stipend Agreement. Proposer agrees to incorporate the provisions of this paragraph in any subcontract into which it might enter with reference to the work performed pursuant to this Stipend Agreement.

6. ASSIGNMENT

Proposer shall not assign, transfer, pledge, sell, or otherwise convey this Stipend Agreement without IFA’s prior written consent, in its sole discretion. Any assignment of this Stipend Agreement without the required consent of IFA shall be null and void and may, in IFA’s sole discretion, disqualify Proposer from further consideration for the procurement process and the Project.
IFA may assign, transfer, pledge, sell, or otherwise convey this Stipend Agreement (a) without Proposer’s consent, to IFA and any other Person that succeeds to the governmental powers and authority of IFA, and (b) to others with the prior written consent of Proposer. Where consent is required but not given, any assignment of this Stipend Agreement shall be null and void.

If Proposer or its agents violate any applicable ethical standards, Proposer may be subject to penalties under IC 4-2-6, 4-2-7, 35-44-1-3, and under any other applicable Laws.

(i) Proposer and its agents shall abide by all requirements of IC 8-15.5-13 in respect of the prohibition on political contributions by Proposer. BUY AMERICA CERTIFICATION
(To be signed by authorized signatory(ies) of Proposer)

The undersigned Proposer hereby certifies on behalf of itself and all Subcontractors (at all tiers) the following with regard to the Project:

a. Proposer shall comply with the Federal Highway Administration ("FHWA") Buy America Requirements of 23 CFR 635.410, which permits FHWA participation in the PPA Documents only if domestic steel and iron will be used on the Project, as well as Buy America requirements set forth in the Standard Specifications. To be considered domestic, all steel and iron used and all products manufactured from steel and iron must be produced in the United States and all manufacturing processes, including application of a coating, for these materials must occur in the United States. Coating includes all processes that protect or enhance the value of the material to which the coating is applied. This requirement does not preclude a minimal use of foreign steel and iron materials, provided the cost of such materials does not exceed 0.1% of the Contract Price.

b. A false certification is a criminal act in violation of 18 U.S.C. 1001. Should this PPA be investigated, Proposer has the burden of proof to establish that it is in compliance.

c. At Proposer’s request, IFA may, but is not obligated to, seek a waiver of Buy America requirements if grounds for the waiver exist. However, Proposer certifies that it will comply with the applicable Buy America requirements if a waiver of those requirements is not available or not pursued by IFA.
