

Changes and line numbers are shown in **2024 STANDARD SPECIFICATIONS** (2024 SS),
EFFECTIVE SEPTEMBER 1, 2023

Notes:

Use *2024 Standard Specifications* [with shown highlighted (teal) editorial and highlighted (yellow) approved changes].

In a column titled “SC MEETING Date (Special provision)”, listed date(s) of the Standards Committee (SC) meeting when the change was approved and Recurring Special Provision (RSP) number where this change was shown before approved change incorporated into 2024 spec book. Line numbers where change(s) shown refer to the 2024 SS.

Changes that were approved to be incorporated into the 2024 SS (without adopting an RSP) will have only listed SC approval date.
