Scour Plan of
Action &
Bridge POA
Monitoring Log
for Web &
Mobile

Currently used by
INDOT, Counties
will need to
transition with
new bridges that
need a Scour POA

Notice will be sent out when this feature becomes Active

Changes in
the Forms
Drop Down
Menu

Scour
Analysis

Currently used
only for State
Bridges to track
hydraulic
analysis

INDOT Inspectors
can add "comments"
in this section to any
add'l history already
created but don't
change contract data
without contacting
Erich Hart.
DON'T change data
in History Notes

Add'l
History

Currently used by
INDOT Bridge
Asset Unit, and
mainly on
INDOT bridges
*Counties DON'T
use this section*

A few changes to the File section...

Instructions and form for delinquent inspections can be found in the Help section – Used by both State and County, but mainly County

Delinquent Bridge Inspection uses the same dropdowns process as other topics in this section

Notice will be sent out when this feature becomes Active

Border Bridge info on front page...no more having to open NBI page under Field Notes

Changes in the Quick View Tab for both County & State

Add'l Structure Details on front page...now INDOT will have all pertinent info on all bridge contracts, issues, etc.
