

2020 INDOT BRIDGE INSPECTION WORKSHOP

11:30 – 12:30

Introduction to Bridge Asset Management (Adam Post and Erich Hart)

Adam Post, P.E. – INDOT Bridge Asset Manager

After graduating from Purdue in 1998 with a Bachelor's in Science in Civil Engineering, Adam moved to Indianapolis where he worked in the consulting world for 19 years. During this time, he obtained his Professional Engineer's license in 2001, and worked as a Bridge Design Engineer and Project Manager performing tasks such as bridge design, inspection, load ratings, and project management for both county and state owned bridges.
