Merril Dougherty, PE
Bridge Inspection Manager
Bridge Division

DATE: November 14, 2016

SUBJECT: Revised County Inspection Compliance Dates

REVISES: Bridge Inspection Memorandums 15-09 and 16-02

EFFECTIVE: Immediately

There have been revisions to the compliance dates for a few counties for bridge inspection cycles, scour updates and load rating updates. The attached spreadsheet contains all of the current compliance dates. The county ERCs and bridge inspection consultants need to review the updated spreadsheet to ensure that compliance dates are met for the county. If you have any questions please contact A. J. Wortkoetter or myself.
