Bridge Inspection Announcement No. 23-06 (UPDATE 1) iTAMS Implementation – Platform Going Live

April 4, 2023

TO: All BIAS Users

FROM: /s/ Anthony Marino SPM
Anthony Marino
State Bridge Inspection Program Manager
Bridge Management Division

SUBJECT: iTAMS Implementation – Platform Going Live Announcement

EFFECTIVE: April 4, 2023

Based on issues identified during yesterday's soft opening, the planned statewide go live date and time for the State of Indiana's iTAMS (INDOT Total Asset Management System) platform is delayed. INDOT is working through these identified issues. Once these are resolved, INDOT will issue a follow up announcement when the iTAMS platform will be fully opened to all remaining previous BIAS users for use.
