1194	6680	4550	23.6										
1194	6910	4650	24.8										

NOTE:

1. The tabulated cover depths shall be measured from the bottom of the bituminous or concrete pavement to the top of the pipe.
2. A specific design shall be performed for structures with corner radii other than those tabulated above to determine the appropriate cover depth limits.

All dimensions are in mm unless otherwise specified.
