GENERAL NOTES

3. ¾" x 1 ¼" stainless steel nonthreaded hex head bolt with locknut washer. (typ.)
4. Class A concrete, 6" min. thick. (typ.)

PLAN

SECTION A-A

SECTION B-B

TYPE II CONCRETE BOX PORT

CONCRETE Riser Base

30" dia. corrugated steel pipe stub fitted with slotted drain, shop welded to riser.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.

1 ¾" dia. corrugated steel pipe riser, 2 ½" x .¾" corrugation, 0.138" thick.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.

12" or 18" dia. corrugated metal pipe.

3 ½" for slotted drain, 4 ¼" for slotted vane drain

Concrete riser base

Silicone gasketing

2 ½" x .¾" corrugation, 0.138" thick.
GENERAL NOTES
1. Casting total weight 236 lbs.
2. Casting finish: no paint.
