Driving Indiana's Economic Growth

Design Memorandum No. 18-20 Technical Advisory

August 6, 2018

TO: All Design, Operations, and District Personnel, and Consultants

FROM: /s/Elizabeth W. Phillips
Elizabeth W. Phillips
Manager, Standards and Policy Office
Bridge Design Division

SUBJECT: Bridge Aesthetics Policy

EFFECTIVE: Immediately

The Department has developed a Bridge Aesthetics Policy to support communication and consistency when evaluating community requests for aesthetic features on bridges that cross INDOT roadways. The policy documents criteria that has been used historically to evaluate these requests and provides a process for coordination, review, and approval.

The policy and routing form are available from the Designers webpage at <https://www.in.gov/indot/2731.htm>, under Bridge Design and Asset Management.
