## Design Memo No. 26-02

January 14, 2026

TO: All Design Personnel and Consultants

FROM: /s/ Elizabeth P. Mouser

Standards and Policy Director

SUBJECT: Practice Pointer: Mobilization and Demobilization for Seeding

The Mobilization and Demobilization for Seeding pay item, 621-01004, should be included only when the schedule of pay items includes a seeding pay item.

Recently, several projects have incorrectly included the Mobilization and Demobilization for Seeding pay item when the schedule of pay items included sodding pay items but did not include seeding pay items. The cost for mobilization and demobilization for sodding is included in the Mobilization and Demobilization pay item, 110-01001.
