

Design Memo No. 26-12

June 3, 2026

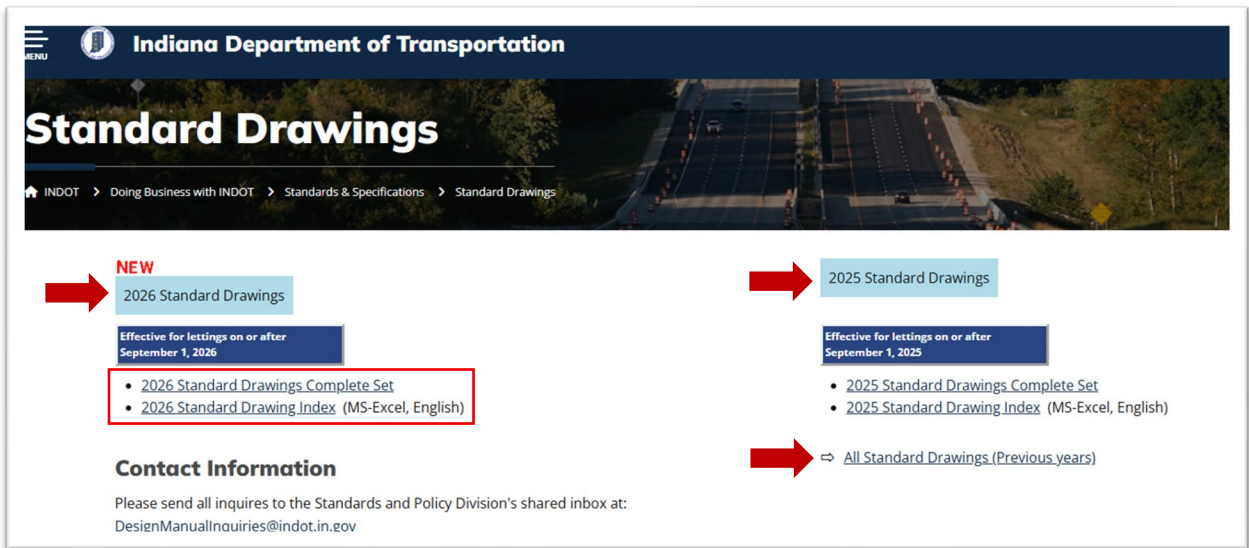

TO: All Design Personnel and Consultants

FROM: */s/Elizabeth P. Mouser*
Elizabeth P. Mouser
Standards & Policy Director

SUBJECT: 2026 INDOT Standard Drawings

EFFECTIVE: Lettings on or after September 1, 2026

The 2026 INDOT Standard Drawings are available from the Standard Drawings webpage at <https://www.in.gov/dot/div/contracts/standards/drawings/index.html>. The webpage includes the current year and prior year's Standard Drawings. All other years are available from a separate page.

The "2026 Standard Drawing Index" link is to an Excel file that lists all standard drawings. It is filtered to display only the drawings updated since the previous publication. See page 2.

Standard Drawings are published each year and become effective on September 1st of the publication year, e.g., the 2026 Standard Drawings are effective for contracts letting on or after September 1, 2026.

Questions about this memo should be sent to DesignManualInquiries@indot.in.gov.
