

801-R-253 MOBILE CONSTRUCTION SIGNS

*(Adopted 09-01-05)*

This work shall consist of furnishing and placing mobile construction signs for a moving operation. The mobile construction signs shall be in close proximity to the operation as shown on the plans.

This work will be measured per each day that each sign is in use. This work will be paid for at the contract unit price per day for construction signs, mobile, for each day that each sign is used. Payment will be made without regard to the sizes of signs used.
